POEM 1

दो चार घड़ियों का और मसला था
कमरे के एक कोने में सब सिमटा हुआ रखा था
दीवारें मुझे ताक रही थीं और मैं उन्हें
जैसे ले रहे हों इजाजत बिछड़ने की हम आपस में
हांथ पर एक घड़ी जो बार–बार मुझे एहसास दिला रही थी
कोई उधर मेरा इंतजार कर रहा था और कोई इधर विचार कर रहा था
समय का वो गुजरता साया मुझे दोराहों में उलझाकर गुजर रहा था.
खुली आँखों में मेरी पिछली जिंदगी की महफिल सजी थी.
सब कहके जैसे दिल और जुबां चुप रहने को गांठें गए हों
मेरा सीना अब एक एक से दीदार को छटपटाने लगा था
घड़ीयां मुझे अब और भी हड़बड़ाहट में दिख रहीं थीं
कदम जैसे किसी सटीक इशारे का इंतजार कर रहे थे.
सब आज मुझसे कुछ ना कुछ इकरार कर रहे थे
ये पल था मेरी रवानगी का वो पल जिसको आना ही था!

POEM 2

लाख अपनों सा होकर किसी को दिखाना क्या
जब हर नस्ल दगाबाज है तो रिश्तें निभाना क्या

बिखेरा है हर चेहरे पर अपनी ही आँखों ने काजल
आँसुओं को किसी और के गम का दोष लगाना क्या

नियत से हारें हैं हर सियासतवाले, बेंचदी है शर्म
ऐसी बेवफा नब्ज से रंग खून के अपने मिलाना क्या

वो जो बसर करता है बदनाम गलियों में, दागलिए
उस पर यकीं खुद का हर दफा भला दिलाना क्या

लाख अपनों सा होकर किसी को दिखाना क्या
जब हर नस्ल दगाबाज है तो रिश्तें निभाना क्या

MBA (International Business), Class of 2008
AIBS, Noida

After securing a good campus placement, I grew rapidly in my career in IT software marketing. Within seven years, I progressed to being the global head of marketing at a multi-national IT software company with offices across the UK, Australia, Singapore, Malaysia, Hong Kong, Germany, and India. After three years, I decided to join my father's business. I had promised him that once I become something on my own, I will come to help him to run the business. We are one of the leading sheet metal structures manufacturers in North India. We manufacture cabinets and enclosures for industries like the railways, telecom, power, retail, and home décor. Throughout my journey, various things that I learned at Amity International Business School, Noida that have helped me stay strong and a step ahead. The encouragement and support I received at AIBS truly helped me to become a strong and humble human being, from shy to introvert girl.

B.Sc. (Hotel Management), Class of 2010
ASH, Lucknow

I did my three-year B.Sc. in Hotel Management from Amity School of Hospitality (ASH), Lucknow campus. The institution provided me ample opportunities to become industry ready for placement by conducting additional classes for communication skills, regular workshops, and guest lectures through industrial experts. The institution has its own Training and Placement cell and helped me to get placed in the Oberoi Hotels and Resorts. The institution has got experienced and highly qualified faculty members who were very supportive and served as mentors of students. Through the appropriate guidance, training, and support of faculty members, I got selected by one of the most reputed hospitality companies and currently working as a faculty member in one of the Govt. Institutes of Hotel Management. I feel proud to have passed my bachelor's degree program in Hotel Management through Amity School of Hospitality (ASH), Lucknow.

ASH, Lucknow

The academic experience with a world-class infrastructure and highly experienced and professionally qualified faculty members at Amity School of Hospitality (ASH), Lucknow has endured me with lifelong career excellence. The regular guidance and the support of the faculty members throughout my study program at Amity School of Hospitality (ASH) was incredible and prepared me professionally to get ready for the industry. I got placed through an On-campus placement in Taj Hotels & Resorts. Regular industry interaction through Industrial training, Guest Lectures, workshops, Industrial visits, National seminars, etc. update me with practices, technology, and standard operating procedures followed in the industry which really helped me to get qualified in various rounds of interviews for placement conducted by Taj Hotels & Resorts. I wish to thank all the faculty members of ASH for providing me with all the required support and assistance which has made my career success in the Hospitality industry. I feel proud to be an alumnus of this Institution.

I am working as a Major at the Indian Army and profoundly would like to share that “Genesis” is an important word and I must say “Amity School of Engineering & Technology, Department of Electronics and Communication Engineering (ASET-ECE), Noida” is one place where it all started for me. Graduation was just a certificate but the journey I serve at Amity University has made me capable of going that one extra mile can’t be summarized in a few words, apart from lecture rooms, labs, or any international-level infrastructure we could ask for, our mentors and Amity vision to enable its student with industry level capabilities made the difference. I extend my heartfelt thanks to my alma-mater and mentors for their selfless efforts & also for Amity Alumni Association for bringing all the Amitian on one platform.

B.Sc. (Hotel Management),
Class of 2012
ASH, Lucknow

I completed my three-year BSc program in Hotel Management from Amity School of Hospitality (ASH), Lucknow Campus. I got placed through the Institution in Oberoi Hotels & Resorts. Amity School of Hospitality has got one of the best infrastructural facilities and competent faculty members, a hospitality school can have. The institution arranged placement through its active training and placement cell for each student of my batch. The institution kept providing opportunities for placement to each student till the time student was placed in the company. The Institution provided maximum opportunities for industrial training exposure and participation in co-curricular activities to each student which really helped for the overall development of each student. I am proud to have been a part of this Institution.

Ms. Yashaswi Madan

ASCO, Lucknow

A university is often a challenge to sail through, given the kind of diverse demography that it caters to. Adjustment to a new phase of life is critical. But ASCO makes us feel at home. From an ice-breaking session to delivering projects and facilitating learning, ASCO makes you self-reliant by the time students bid goodbye to the campus on completion of their academic course.

Ms. Aishwarya Srivastava

AIESR, Noida

My warm thank you to my dearest Amity family. I have missed you immensely and I am very proud of what you have taught me in my three years of professional career at Amity and especially in the Amity Institute of English Studies and Research (AIESR). I am currently pursuing my Two-Year Professional Course in B.Ed. from Tezpur University, Assam. I have always spoken about my alma mater in a wholesome manner. Due to the exposure received at Amity, I was able to hold an administrative position in the Central University of Haryana andwas Elected as Department Representative of the Department of English and Foreign Languages and the Student Council member of the Central University of Haryana. Currently, I am appointed as the Prefect of Thumjang Men's Hostel, Tezpur University, Assam. All this is possible because of the training I received from my lovely professors who believed in me at Amity University. Winning Mr. Farewell and Baljit Shastri Award in 2019 was the doorway to my rising academic curve. I will always be grateful to my mentors.

Ms. Saloni Priya

It's' very difficult to convey in words the sense of gratitude and honor, I feel to be a part of Amity University. The great faculty at Amity helped me to achieve and reach a level higher than I thought possible. Theguidance and encouragement to explore my true potential was priceless, without it I most surely would have been lost at sea. I discovered a passion for learning and exploring, for asking questions that weren't even on my radar before joining my Alma Mater. During the four years of my tenure in college, each & every student got proper attention from the faculty which not only helped us grow our knowledge but also helped us convert our weakness into strength.

My time spent inthe Mechanical Engineering Department at Amity University during my bachelor's has been instrumental in shaping my current career path. I came to Amity University with hopes of being able to learn and conduct research in the latest and greatest in Mechanical Engineering. Amity University exceeded my expectations in all regards. The ability to choose my coursework and the opportunity to conduct research under the guidance of some of the domain-leading researchers speaks volumes about the commitment of Amity University towards imparting high-quality education and fostering a strong research-oriented work environment. I had a great learning experience with Mechanical Department, Amity University which embarked me on my current pursuit. Also, the efforts made by the placement cell are commendable for providing the students with their deserved employment opportunities. I am thankful to the Training & Placement Cell for providing a platform to enhance my skills and an opportunity to showcase them. Amity University provided me the international exposure which prepared me for the global markets.

Mr. Hardik Chauhan
B.Tech (ME),

ASET (ME), Noida

It's been a sensational experience being with Mechanical Engineering Department, Amity Noida. I was awarded the honor of 100 percent on admission scholarship for four consecutive years which motivated me to do well in my academics. I got enormous opportunities to showcase my abilities. The faculties here assisted me in every situation and guided me toward a bright future. The institute has provided me with multiple placement opportunities. Furthermore, I got selected for Escorts Limited Faridabad. I really want to convey my gratitude to all my faculties who helped me in crossing the bridge between college and professional life. There are abundant extra-curricular activities happening every other day on campus. Moreover, one can participate in various events like quizzes, dancing, drama, e-gaming, and the list goes on. It rendered an optimum environment for students to do their research, I have also done various projects under expert professors. In a nutshell, it is not possible for me to express my outstanding experience in few words.
