Preface

ALUMCHRONICLE - VOLUME-4, ISSUE-2

It is with great pleasure that we present the latest edition of Alum Chronicle, Volume 4, Issue 2. This issue celebrates remarkable journeys of our alumni and the enduring spirit that unites the Amity community. As we step into 2025, we extend our warmest wishes for a year defined by purpose, progress, and prosperity for every member of the Amity family.

This edition features highlights from a wide range of events and activities, including memorable reunions, vibrant cultural celebrations, and enlightening expert sessions and forums led by alumni across diverse fields. Our alumni are making their mark around the world. Their achievements reflect the innovative spirit that drives their success. The year has begun with immense promise, evolving into a deeply fulfilling shared journey.

This edition is made possible through the benevolent blessings of our esteemed Founder President, Dr. Ashok K Chauhan, the visionary leadership of our Chancellor, Dr. Atul Chauhan, and the steadfast guidance of our Vice Chancellor, Prof. (Dr.) Balvinder Shukla. More than a chronicle of milestones, this issue is a celebration of the lasting relationships that thrive through mentorship, inspiration, and collaboration.

In a world of constant change, these alumni connections serve as both an anchor and a dynamic launchpad. They reaffirm that Amity is not merely an institution, but a shared identity and a lifelong companion. These experiences celebrate the deep bonds of our Amity family, a connection that strengthens across the past, present, and future.

Alumni Reunion

Amity Alumni Unite in California to Celebrate Global Bonds

Prof. (Dr.) Balvinder Shukla, Vice Chancellor, AUUP & Amity Alumni

Amity University hosted the Amity Alumni Reunion 2025, in California, a vibrant and emotionally enriching gathering that brought together 12 alumni from across the West Coast at Anantara, Fremont, California on 20 May, 2025. The event, organized by the Office of Alumni Relations, Amity University Uttar Pradesh, was part of Amity's global initiative to strengthen connections among its worldwide alumni networks.

The evening began with an inspiring address by Prof. (Dr.) Balvinder Shukla, Hon'ble Vice Chancellor, Amity University Uttar Pradesh, who highlighted Amity's evolution from a single campus to a global education network spanning 13 universities in India and 16 countries. She described Amity alumni as true ambassadors of the institution, embodying its values and contributing meaningfully to society. "Amitians are different. They think beyond themselves for society, for the nation, and for the world. Wherever you go, the spirit of Amity lives within you," she remarked.

A special highlight of the evening was the virtual participation of Hon'ble Founder President, Dr. Ashok K. Chauhan, whose vision laid the foundation of the Amity legacy. His words and blessings served as a heartfelt reminder of the institution's enduring mission to nurture global leaders guided by compassion, integrity, and excellence.

Adding to the evening's significance, Dr. W. Selvamurthy, President, Amity Science, Technology and Innovation Foundation (ASTIF), also joined virtually, applauding the alumni for their professional achievements and urging them to continue shaping a happy and harmonious world as responsible global citizens.

The reunion featured success stories from alumni across disciplines and campuses, including Amity University Noida, Lucknow, Amity University Online, and RICS School of Built Environment (SBE). Alumni representing diverse sectors, from corporate leadership and entrepreneurship to research and social innovation, shared reflections on their journeys. They credited Amity's mentorship-driven education, soft-skill training, and global programs such as the SAP (Study Abroad Program) and Three Continent Program for shaping their professional growth. As one alumnus fondly stated, "From Sector-44 classrooms to Silicon Valley boardrooms, Amity has been our compass and catalyst".

A deeply symbolic moment came when Prof. (Dr.) Balvinder Shukla presented each participant with the Amity Alumni Badge of Honour, a token representing lifelong pride and belonging to the Amity family.

The event concluded with a vote of thanks by Ms. Ritu Bhatnagar, Assistant Director (Alumni Relations), AUUP, who expressed gratitude to all attendees and acknowledged the invaluable support of Shri Abhay Chauhan and Shri Amol Chauhan for their continuous efforts in building stronger alumni connections across continents.

The California Alumni Meet 2025 stood as a testament to the shared legacy, global achievement, and enduring Amity spirit that unite its alumni community worldwide. As the evening transitioned into a networking dinner, it reaffirmed one simple truth—wherever Amitians go, the spirit of Amity continues to shine bright.

Amity Alumni Reconnect in New Jersey to Celebrate Global Legacy

The Amity University Alumni Meet 2025, held in New Jersey, brought together over 30 distinguished alumni for a heartwarming reunion held at the FDU Silberman College of Business, New Jersey on 14 May, 2025.

The evening began with a warm welcome by Ms. Savita Arora, Vice President – Strategic and U.S. Operations, who expressed heartfelt appreciation to the alumni for maintaining strong bonds with their alma mater. She shared insights into Amity's remarkable international growth, highlighting the establishment of its 170-acre New York campus, the success of global initiatives like the Explore America Program and Three Continent Study Program, and the upcoming launch of the Harrow School USA in Fall 2025, furthering Amity's vision for global-standard education.

Hon'ble Chancellor- Dr. Atul Chauhan, Prof. (Dr.) Balvinder Shukla, Vice Chancellor, Dr. Gurinder Singh, Group Vice Chancellor

Prof. (Dr.) Balvinder Shukla, Hon'ble Vice Chancellor, Amity University Noida, addressed the gathering with pride, reflecting on Amity's journey from a single institution in Noida to a global education group spanning 12 universities in India and 28 schools across 16 countries. She reminded alumni that the "Spirit of Amity" lives within each Amitian wherever they go, urging them to continue contributing to society and nation-building. Adding to the evening's inspiration, Dr. Gurinder Singh, Group Vice Chancellor, Amity Education Group, commended alumni excelling in top global organizations including Google, Amazon, Oracle, PwC, Honeywell, Walmart, KPMG, Accenture, and NYU. He described them as *Amity Champions* — leaders carrying the institution's values of innovation, service, and excellence across the world.

A deeply emotional moment followed as Hon'ble Founder President, Dr. Ashok K. Chauhan, joined virtually to bless the gathering, along with Hon'ble Chancellors Dr. Aseem Chauhan and Dr. Atul Chauhan. His vision and message of perseverance and compassion deeply moved attendees, reinforcing the values that define Amity's global community.

Dr. Aseem Chauhan expressed immense pride in the alumni's achievements, recalling Amity's vision of global recognition that has now become reality through the success of its graduates. He reaffirmed that Amitians will always remain part of one family defined by excellence, compassion, and unity.

Dr. Atul Chauhan shared heartfelt reflections on the emotional connection between the university and its alumni, appreciating the culture of mentorship, guidance, and mutual support that Amity fosters globally. He reminded attendees that education at Amity is not just about knowledge, but about transforming lives and praised the alumni community for living that mission in spirit and action.

In a moving segment, selected alumni were felicitated with the Amity Alumni Achiever Award for outstanding professional accomplishments and continued engagement with the university. Their stories of perseverance, innovation, and leadership inspired peers and reaffirmed Amity's legacy of holistic education.

Hon'ble Chancellor Dr. Atul Chauhan, addressing alumni

Among the notable attendees were Amity alumni from diverse professional spheres, including Ms. Neha Sharma, Senior Manager, Amazon Web Services (MBA 2014, Amity Noida); Mr. Rohit Malhotra, Consultant, PwC (B.Tech 2012, Amity Noida); and Ms. Priya Mehta, Research Analyst, NYU (MA International Relations 2015, Amity Lucknow) — each representing the university's commitment to producing globally competent professionals.

The hybrid format of the reunion allowed alumni from multiple time zones to join virtually, underscoring Amity's ever-expanding global network. The event concluded with expressions of gratitude from Ms. Savita Arora and Prof. (Dr.) Balvinder Shukla, acknowledging the contributions of Prof. (Dr.) Gurinder Singh, Shri Abhay Chauhan, and Shri Amol Chauhan for their constant efforts in strengthening global alumni connect.

As alumni reminisced and reconnected, the New Jersey Alumni Meet 2025 stood as a celebration of identity, belonging, and the spirit of Amity that transcends borders. With upcoming alumni meets planned in London, Singapore, Mauritius, Dubai, and Melbourne, Amity continues to reaffirm its mission of building a global family united by shared values and vision.

Hon'ble Chancellor Dr. Aseem Chauhan, addressing alumni

Pharmacy Alumni Connect for Mentorship and Networking

Amity Institute of Pharmacy (AIP), Lucknow Campus, organized an engaging Alumni Interaction and Engagement Meet on 12 March 2025, bringing together over 45 alumni from the 2019–2024 batches in an online format. The session aimed to strengthen the bond between alumni and the alma mater, fostering mentorship, and providing valuable exposure to real-world industry insights. The event began with a warm welcome by Ms. Shivanshi and Ms. Shivani, followed by an inspiring address by Prof. (Dr.) Anuradha Mishra, Director, AIP, who emphasized the importance of alumni in shaping Amity's legacy of excellence. Distinguished alumni from diverse professional fields shared their career experiences, discussed industry challenges, and offered guidance to current students aspiring to enter the pharmaceutical sector. Among the notable speakers were Ms. Priya Verma (Quality Assurance Executive, Sun Pharma; B.Pharm, Class of 2020) and Mr. Ankit Singh (Research Associate, Dr. Reddy's Laboratories; M.Pharm, Class of 2022), whose journeys highlighted how Amity's academic foundation and mentorship had paved the way for their professional success. Coordinated by Dr. Richa Srivastava and Dr. Shruti Srivastava, the meet served as an enriching exchange of knowledge, memories, and inspiration, reaffirming AIP's commitment to nurturing a lifelong connection between its alumni and alma mater.

Psychology Alumni Inspire Future Professionals at AIBAS Meet

Amity Institute of Behavioral and Allied Sciences (AIBAS), Lucknow Campus, organized an engaging Alumni Interaction Programme on 20 February 2025 to foster career guidance, mentorship, and networking among students and alumni. Held on campus, the event brought together eight distinguished alumni, including Ms. Tejaswini Dwivedi (Counseling Psychologist, Aravi; M.A. Counseling Psychology, Class of 2024), Ms. Nandini Sharma (Psychologist, Delhi Public School, Lucknow; M.A. Counseling Psychology, Class of 2024), Ms. Anjana Mishra (Counseling Psychologist, Illusion of Mind; M.A. Clinical Psychology, Class of 2024), and Mr. Sajid Khan (Freelance Counseling Psychologist; M.A. Counseling Psychology, Class of 2023), among others. The session began with a ceremonial lamp-lighting and an address by Prof. S.Z.H. Zaidi, Head of Institution, who emphasized the value of alumni–student engagement in shaping professional growth. Alumni shared insights on resume building, skill enhancement, and emerging career opportunities in psychology, inspiring students through their real-world experiences. Coordinated by Dr. Madhu Pandey, the event concluded with a vote of thanks and strengthened the AIBAS community's enduring bond between past graduates and present learners.

Amity Institute of Biotechnology, Lucknow Alumni Meet 2025: A Celebration of Excellence and Connection

Amity Institute of Biotechnology (AIB) Alumni Meet 2025 was a resounding success, bringing together accomplished alumni from diverse backgrounds and graduating years. The virtual event which, took place on 9 April 2025, was a testament to the strong bond between the institution and its alumni. The ceremony commenced with a warm welcome from Prof. (Dr.) J.K Srivastava, Director of AIB, setting the tone for an engaging afternoon of reconnecting, recognizing achievements, and celebrating excellence.

During the event, Dr. Mala Trivedi, Chairperson of the AIB Alumni committee, presented the annual alumni activity report, highlighting the committee's initiatives and accomplishments. The highlight of the event was the Alumni Achievers' Award ceremony, where five distinguished alumni were recognized for their outstanding contributions in various fields. Ms. Tooba Qamar, Mr. Rishabh Pandey, Ms. Fazia, Dr. Manmohan Pandey, and Mr. Pankaj Sahu were honoured in different categories, showcasing the diverse talents and achievements of AIB's alumni community.

The event featured interactive sessions and panel discussions, providing a platform for alumni to share their experiences, insights, and expertise. The virtual gathering buzzed with excitement and nostalgia as attendees from different batches and programs connected, exchanged ideas, and forged new relationships. The AIB Alumni Meet 2025 was a celebration of the institution's legacy and its alumni's unwavering commitment to excellence, reinforcing the sense of belongingness and togetherness that defines the Amity family.

Amity Institute of Information Technology, Lucknow, hosted an Institute-level Alumni Meet

Amity Institute of Information Technology, Lucknow, hosted an Institute-level Alumni Meet on 12 March 2025, organized by the Alumni Club, AUUP, Lucknow, to strengthen connections between alumni and current students. The event featured Brig Umesh K. Chopra, Director of AIIT, along with 30 alumni from MCA, BCA, and B.Sc. (IT) programs, who shared their industry experiences, insights on current IT trends, and guidance on placement preparation. Attended by 80 students, the interactive session provided valuable mentorship, helping students understand the skills required for internships and future career opportunities. Alumni also committed to supporting placements and training initiatives, while discussions emphasized leveraging alumni networks for institutional growth and professional development. The event underscored the importance of alumni engagement in enhancing student learning and fostering long-term collaborations.

Alumni Meet 2025 Organised by ASPAL Strengthens Professional Bonds

Amity School of Architecture and Planning, Lucknow Campus, hosted its Alumni Meet 2025 on Thursday, 13 February 2025, welcoming 60 graduates from the Class of 2013 to 2023. The event fostered reconnections, professional networking, and discussions on collaborative opportunities in research, industry projects, and curriculum enhancement. Highlights included an engaging presentation by Ar. Ashish Singh, B.Arch. Class of 2015, on industry trends, emerging technologies, and sustainable development, offering valuable insights to current students. Alumni shared their career journeys, pledged mentorship support, and explored avenues for future collaboration with their alma mater. The meet concluded with tokens of appreciation and a commemorative group photograph, reinforcing the enduring bond between ASAPL and its alumni.

Engaging and warm moments spent during the Alumni Meet hosted by ASAPL

Alumni Meet Strengthens Bonds with Applied Sciences Graduates from Lucknow Campus

Amity School of Applied Sciences, Lucknow, hosted its Alumni Meet on 28 March 2025, bringing together fifteen distinguished alumni, including Mr. Farhan, Ms. Anjali, Dr. Chetna, Ms. Aparna, Ms. Ayushi, Mr. Shivam Yadav, Mr. Yashovardhan, Ms. Vidhi, Mr. Faiz, Ms. Gauri, Ms. Shreya, Mr. Pushkar, Mr. Anushtup Mishra, and Mr. Abhi Hasan. Coordinated through personal invitations and outreach by alumni coordinators, the event celebrated their continued association with the institution through tokens of appreciation and interactive sessions. The meet aimed to foster lasting ties between the department and its graduates, encourage alumni involvement in departmental growth, and create a platform for sharing guidance with current students, particularly in career and placement opportunities. The gathering reinforced pride in alumni achievements while strengthening the network between past and present students.

Strengthening Bonds Through Alumni Meet 2025 Hosted by ASETL

Amity School of Engineering and Technology, Lucknow hosted a virtual Alumni Meet on 15 May 2025, uniting over 100 former students online from B.Tech., M.Tech., and Ph.D. programs across India and abroad. The three-hour virtual event, coordinated by Dr. Anuradha Misra, Ms. Garima Srivastava, Dr. Sheenu Rizvi, Dr. Deependra Pandey, Mr. Devesh Ojha, and Mr. C.K. Jha, was graced by Pro Vice Chancellor, Prof. (Dr.) Anil Vashisth, Dy. Pro Vice Chancellor Prof. (Dr.) Anil Tiwari, and officiating HOI, Prof. (Dr.) O.P. Singh. Inspiring speeches celebrated alumni achievements and emphasized their role in mentorship, placements, and academic enrichment. Hosted by B.Tech. CSE students Jivisha Sateesh and Ojita, the meet featured interactive sessions, networking, and career guidance from alumni, fostering lasting connections between the alumni community and their alma mater.

ASETL organises Online Alumni Meet, bringing over 100 students to rekindle the bond

Alumni Forum

Amity Business School Hosted 10th Global Leadership and Research Conference

Amity Business School successfully hosted the 10th edition of its flagship *Global Leadership and Research Conference 2025* on "Navigating the Future: Sustainable Business Management through Emerging Technologies and Intelligent Systems" from 19–21 March 2025, with a special alumni session on 21 March, at the university campus. The three-day conference brought together industry experts, policymakers, innovators, and academicians to discuss strategies for integrating sustainable practices into business operations through cutting-edge technologies such as AI, IoT, and blockchain.

Distinguished alumni graced the event, including Ms. Roli Agarwal (PSDM, Class of 2002), Head–Partnership, Google; Ms. Shirin Sehgal (PGMD, Class of 2003), Chief People Officer, PwC India; and Mr. Harmandeep Singh Walia (PGDM, Class of 2000), Managing Director, Nissan Renault Financial Services India Ltd. They shared their expertise, insights, and experiences, inspiring current students and researchers to embrace innovation and sustainability in business practices. The conference reaffirmed Amity's commitment to fostering collaboration between industry and academia and nurturing thought leadership for a sustainable future.

Felicitation of Roli Aggarwal at the Global Leadership and Research Conference

AIMT organised Global Alumni Forum on Food Safety & Quality

Bringing international expertise to the virtual classroom, Amity Institute of Microbial Technology hosted a guest lecture on 25 February 2025 as part of the Amity Global Alumni Forum & Alumni Forum series. The speaker, Ms. Kaveri Dang, Food Safety and Quality Supervisor at SFC Global Supply Chain (Schwan's), Kansas, USA, and alumna of B.Sc. (H) Microbiology, Class of 2018, delivered an insightful session on food safety, quality management, HACCP, and ISO standards. She drew from her professional experience in developing SOPs, ensuring USDA compliance, and her academic research on bacteriophages in meat and dairy products, conducted during her MS in Food Science at the University of Central Oklahoma. Her journey from Amity to an international leadership role served as both a learning experience and an inspiration for aspiring microbiologists.

AIPH&HA Organised Firsthand Insights on Careers in Hospital Administration

Amity Institute of Public Health & Hospital Administration organised an insightful session under its Alumni Engagement Series on 13 March 2025, titled "Professional Growth Pathways in Hospital Administration". The guest speaker, Dr. Archana Mandhan, Senior Administrator at Apollo Hospitals, Noida, and alumna of the MHA, Class of 2019, shared her professional journey from postgraduate training at Amity to her leadership role in one of India's premier healthcare institutions. Drawing from her experience in patient care coordination, regulatory compliance, and hospital operations, she guided students of BBA (HM) and MHA on essential skills, including healthcare quality certifications, NABH training, leadership competencies, and adaptability in a dynamic hospital environment. The interactive session inspired students to align academic learning with industry demands while pursuing their career goals with dedication and integrity.

Dr. Archana Mandhan interacts with the students of AIPH&HA

AIB Hosted Online Session on Biotechnology Careers with Entrepreneur Dr. Samridhi Rana

Amity Institute of Biotechnology hosted an Internship/Placement Guidance session on 30 January 2025, in an online mode, featuring Dr. Samridhi Rana (B.Tech, Biotechnology, Class of 2015), Founder & CEO of Paws4Ever Pvt. Ltd. and Ambrosius Pvt. Ltd., New Delhi. In her talk, "Unlocking the Future: Opportunities in Biotechnology for Entrepreneurship, Careers, and Research in India," Dr. Rana shared her entrepreneurial journey, stressing the importance of innovation, problem-solving, and adaptability in building successful biotech startups. She encouraged students to utilise academic knowledge for impactful ventures, pursue research, and explore diverse career avenues in biotechnology, inspiring them to transform ideas into solutions for real-world challenges.

Alumni Session Highlights Career Benefits of M.Ed in Special Education

An interactive alumni session was organised by Amity Institute of Rehabilitation Sciences on 23 April 2025 for the outgoing 2025 batch of Integrated B.A, B.Com, and B.Ed. (Special Education) students. The session featured Ms. Manshi Negi, alumna of the M.Ed Special Education (Learning Disability), Class of 2020, who is currently serving as a Special Educator at Somerville School, Vasundhara Enclave, New Delhi. Drawing from her academic and professional journey, Ms. Negi shared that pursuing a Master's degree in Special Education significantly enhances the research and teaching skills, boosts employability, and opens avenues for career advancement. She reflected on how her M.Ed from AIRS played a pivotal role in shaping her professional growth and establishing her as a competent and confident educator. The discussion provided valuable guidance for students aspiring to pursue higher education in the field, reinforcing the importance of advanced qualifications in building impactful careers in special education.

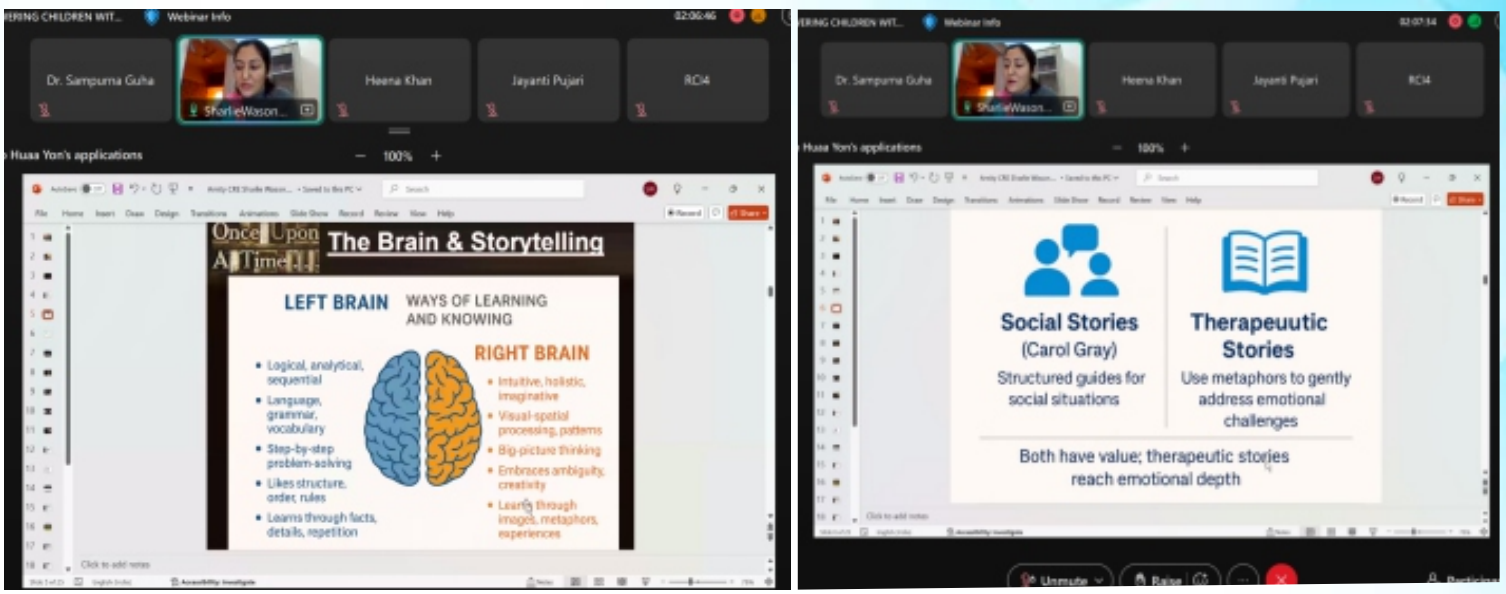

Faculty and Students with Alumna Ms. Manshi Negi at AIRS

Therapeutic Storytelling Session at National Seminar Hosted by AIRS

Amity Institute of Rehabilitation Sciences (AIRS) organised a National Level CRE seminar, "Development and Designing of Social Stories for Children with Autism Spectrum Disorder (CWASD)", in collaboration with the Rehabilitation Council of India, on 26 May 2025. The full-day event featured expert-led sessions on the relevance, design, and integration of social stories as evidence-based interventions for CWASD. Among the distinguished speakers was AIRS alumna Ms. Sharlie Wason, Founder of To Huaa Yon, an academic and therapeutic support company for children with special needs.

A graduate of the B.Ed. Special Education (ASD) programme at Amity, Ms. Wason conducted the third session on "Therapeutic Storytelling for CWASD," sharing her professional expertise and practical strategies for enhancing learning and emotional engagement in children with autism. The event served as a platform for knowledge exchange, professional development, and strengthening the alumni-student-academic network in the field of special education.

Glimpses from the Insightful and Interactive online session with Alumna Sharlie Wason

AIB Hosted Online Career Guidance Session with Entrepreneur Subhanshu Nigam

Amity Institute of Biotechnology organised an Internship/Placement Guidance session on 23 January 2025, in an online mode, featuring Mr. Subhanshu Nigam (B.Tech, Biotechnology, Class of 2010), Co-Founder of Skill Intel Education and XceliSys Consulting, Delhi. In his talk, "Unleashing Potential: A Journey from Classroom to Breakthroughs," Mr. Nigam shared his journey from biotechnology graduate to successful entrepreneur, highlighting the importance of skill development, strategic planning, and adaptability in a competitive job market. He offered practical advice on transforming classroom learning into industry-relevant expertise and discussed how his ventures are advancing skill-based education and consulting in the biotechnology sector, leaving students inspired to pursue innovative career pathways.

AISST Alumni Officer Guided Students on Avionics Careers and Armed Forces Opportunities

On 19 March 2025, Amity Institute of Space, Science and Technology organised an interactive alumni session with Students initiative, focusing on employment prospects and government sector requirements. The event featured Lt. Cdr. M. Nishant, Pilot in the Indian Navy, Kochi, and an alumnus of Amity's B.Tech (AE) and M.Tech (Av) programmes, Class of 2015. Drawing from his extensive experience, Lt. Cdr. Nishant provided valuable insights into study requirements for careers in the avionics field and highlighted pathways to join the Armed Forces. His engaging address inspired 'Students' to explore opportunities across the technical field and defense sectors, while reinforcing the importance of discipline, continuous skill enhancement, and strategic career planning.

Alumni Shares Global Insights on Aeronautical Engineering Careers

Parush Bamrah during the event at AIT

Amity Institute of Technology hosted its 4th Alumni Expert Talk on 10 April 2025, featuring Ms. Parush Bamrah, an accomplished B.Tech (Aeronautical Engineering), Class of 2020 graduate. Currently based in Quebec, Canada, and working in the aerospace sector after completing her postgraduation degree in Aerospace Engineering (specialising in aerodynamics and propulsion) from Concordia University, Ms. Bamrah engaged with a select group of students in an interactive session. Drawing from her academic achievements and professional journey, she introduced students to advanced computational methods, multi-objective optimisation techniques, and the latest tools in the aeronautical industry. She also offered practical guidance on pursuing higher studies abroad, covering resume preparation, university selection, effective email drafting, and securing recommendation letters. The session not only enriched students with technical and career insights but also strengthened the bond between the alumni and their alma mater.

Law Alumni Engaged in Curriculum Review on Intellectual Property

Amity Law School hosted an Area Advisory Board session on Intellectual Property on 4 June 2025 to review and revise the Intellectual Property Laws curriculum, ensuring it remains aligned with contemporary legal practices and industry needs. The discussion featured alumnus Mr. Aditya Singh, Advocate at Arun Renu and Associates, New Delhi, and an LLB graduate, Class of 2022. Mr. Singh provided valuable inputs on enhancing the course content to equip students with a practical understanding of evolving legal frameworks based on his professional experience in IP litigation and advisory work. The collaborative dialogue between faculty and alumni reaffirmed Amity's commitment of keeping its law programmes relevant, rigorous, and industry ready.

Aditya Singh with the Chairman, Faculty Members of ALS, AUUP attending AAB on 4th June 2025

Senior Manager from Tata Aerospace Shares Career Insights with AISST Students

Students at Amity Institute of Space, Science and Technology gained valuable industry perspectives during an interactive session held on 9 March 2025. Leading the discussion was Mr. Harshal Jain, Senior Manager at Tata Aerospace Division, Nagpur, and alumnus of Amity's B.Tech (AE) and M.Tech (Av) programmes, Class of 2015. Mr. Jain spoke in depth about the core competencies and professional attitudes that top aerospace companies seek in fresh recruits. He also offered practical advice on navigating the avionics sector, emphasising adaptability, continuous skill enhancement, and personal growth as key to long-term career success. The session proved to be a valuable roadmap for students aspiring to enter high-demand technical fields.

Alumni Session Equips Students with Career-Ready Skills

Under the theme "Industry Internship: Paving the Way to Shape Careers," the Alumni Knowledge Sharing Series and Alumni Forum for Internship/Placement Guidance at Amity University brought students face-to-face with practical career insights on 2 April 2025. The interactive session featured Mr. Pavithran G, Project Associate at 3M, Bengaluru, and alumnus of M.Sc., Class of 2022, who shared expert advice on crafting impactful CV, preparing for interviews through targeted company research, and highlighting measurable achievements. Emphasising the value of soft skills alongside technical expertise, he guided students on tailoring applications to specific roles and strategically presenting their strengths. The session concluded with actionable takeaways, including implementing suggested improvements and planning follow-up reviews, leaving participants better prepared to navigate internships and early career opportunities.

AIBL Celebrated International Women's Day with Alumna Tooba Qamar

On March 8, 2025, Amity Institute of Biotechnology, Lucknow, hosted a special Alumni Interaction Session to commemorate International Women's Day as part of its Important Days Celebrations. The event was organized under the Alumni Knowledge Sharing Series, with a focus on celebrating women's empowerment, leadership, and professional growth. The session featured Ms. Tooba Qamar, DST INSPIRE Fellow and Ph.D. scholar at Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow, and an alumna of the Biotechnology Class of 2021. Ms. Qamar shared her inspiring journey, highlighting the challenges she faced and the accomplishments she achieved in her field. Her story served as a powerful example of perseverance and determination, inspiring current students to strive for personal and professional excellence.

ALSN Alumni Contribute to Curriculum Review on Personal and Civil Laws

Amity Law School, Noida, organised a curriculum review session on Personal and Civil Laws on 29 May 2025 as part of its Academic Advisory Board (AAB) activities. The session aimed to critically review and update the syllabus to align with evolving legal practices and industry requirements. Among the distinguished participants were alumni Mr. Shantanu Devansh, Advocate, Delhi High Court, and Ms. Bhoomika Nanda, Advocate, Delhi High Court — both graduates of the BBA LLB (H) programme, batch of 2012–2017. Drawing from their professional experience in litigation, they provided valuable inputs to strengthen the curriculum's practical orientation and ensure that students are better prepared for contemporary legal challenges. Their insights reinforced the importance of alumni engagement in shaping robust academic frameworks.

Amity Law School, Noida, organised a curriculum review session on Personal and Civil Laws on 29 May 2025

Alumnus Shares Start-Up Legal Insights and Career Lessons with ALSN Students

Paritosh Dhawan delivering his lecture at Amity Law School Noida campus

The Innovation and Entrepreneurship Cell of Amity Law School, Noida, under the Institute's Innovation Council Activity Calendar, hosted a guest lecture on 9 January 2025 featuring distinguished alumnus Mr. Paritosh Dhawan, Principal and Founder of Dhawan & Co., Gurugram, and a graduate of the BBA LLB (H) programme, Class of 2019.

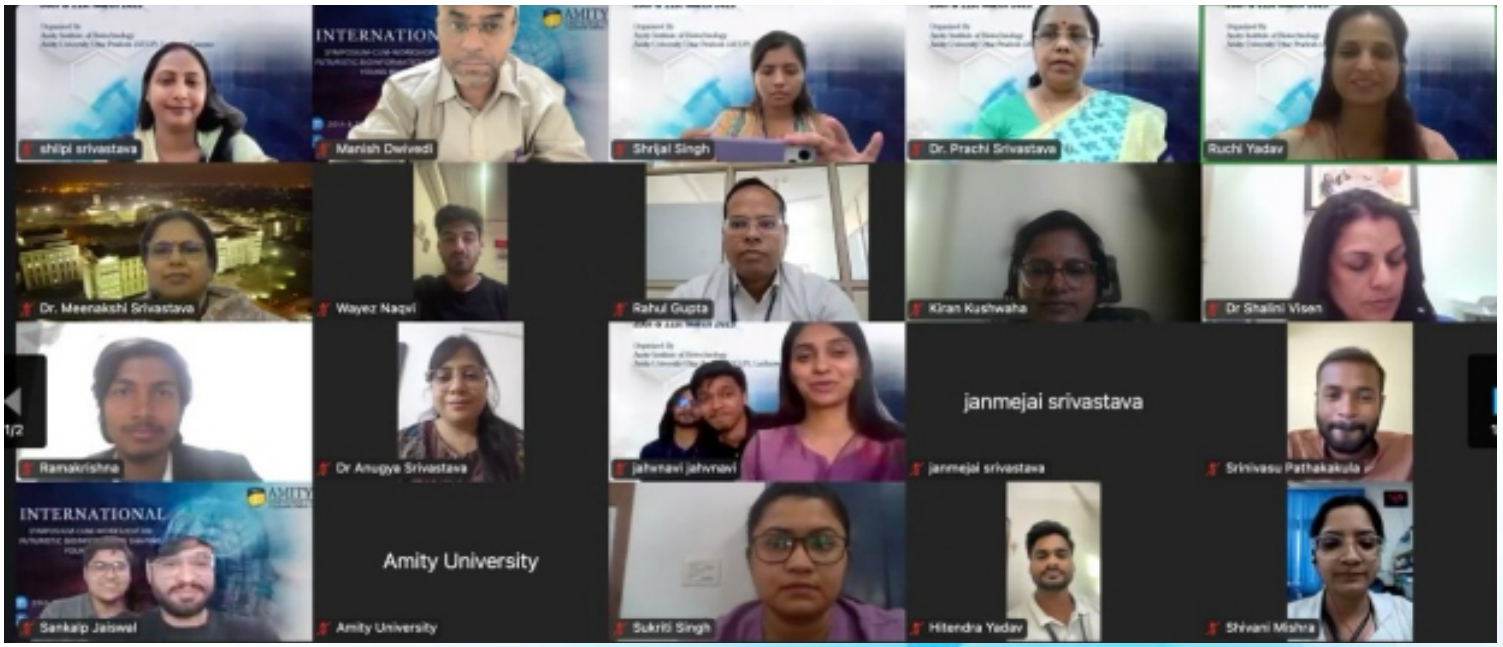

Drawing on his six years of experience across civil and commercial litigation, corporate law, intellectual property rights, and real estate, Mr. Dhawan provided a practical roadmap for launching and managing start-ups with a focus on essential legal and ethical considerations. He candidly shared his journey from a self-described "backbencher" with only three internships in his first two years to completing 17 internships in the latter half of his programme, honing his skills in proactive networking and LinkedIn outreach. Emphasising the evolving nature of legal practice and the value of experiential learning, he inspired students to seize opportunities and commit to lifelong learning in the profession.

Advancing Bioinformatics with Alumni Insights at Amity

Amity Institute of Biotechnology, Lucknow, hosted an International Symposium-Cum-Workshop on "Futuristic Bioinformatics: Shaping Young Minds" on 1–2 February 2025. The two-day event, organised to mark International Bioinformatics Day, brought together leading scientists, researchers, and students to explore cutting-edge developments in bioinformatics, artificial intelligence, and computational biology. Dr. Krishna Pal Singh, Scientist at the Department of Systems Biology and Bioinformatics, University of Rostock, Germany, and an esteemed alumnus, delivered a lecture on the Role of Systems Biology in Target Identification Using Disease Maps, sharing insights into advanced research methodologies. The symposium provided students with opportunities for interdisciplinary learning, skill development, and hands-on understanding of bioinformatics applications, bridging academic knowledge with emerging global research trends.

Glimpse from the insightful online lecture by Dr. Krishna Pal Singh

ALSL Alumni Inspired Students Towards Legal Careers and Success

Amity Law School, Lucknow, organized an Alumni Forum for Internship and Placement Guidance on 14th May 2025 to mentor and motivate new law students. The session brought together distinguished alumni, including Ayush Tandon, Advocate at High Court of Judicature at Allahabad (BCOM LLB Hons., Class of 2018), Himanshu Priyadarshi, Assistant Professor of Law at BBD University (B.A LLB, Class of 2012), Amrinder Singh Taneja, Advocate at District and Session Court, Raebareli (BCOM LLB., Class of 2022), Kavya Singh, Advocate at High Court, Lucknow (LLM, Class of 2016), Anjali Shukla, Advocate at High Court, Lucknow (LLB, Class of 2020), Devansh Vikram Singh, Advocate at High Court, Lucknow (B.A LLB, Class of 2018), Radhika Kheria, Advocate at High Court, Lucknow (LLM, Class of 2022), and Akansha Gupta, Advocate at High Court, Lucknow (B.A LLB (Hons)., Class of 2018). The alumni shared their professional journeys, imparted insights on career development, and guided students on building industry readiness and securing placements. The interactive session not only boosted student confidence but also strengthened bonds between alumni and the current cohort, providing inspiration for a successful future in the legal profession.

Esteemed Alumni with Faculty Members and Participants at the Event

Alumni Inspired Educators on Technology Integration in Classrooms

Amity Institute of Education, Lucknow hosted an Alumni Orientation Panel Discussion on 9th June 2025, focusing on the integration of technology in modern education. The session featured Mr. Bimal Kumar Hembrahm, M.Ed. at Regional Institute of Education, Bhubaneshwar, and alumnus of B.El.Ed., Class of 2023, who shared practical insights on leveraging digital tools to create interactive, immersive learning environments. He demonstrated innovative platforms like H5P for quizzes, simulations, and multimedia content, while guiding participants on designing technology-enhanced lesson plans and uploading content on LMS platforms. The interactive discussion also addressed challenges and best practices in technology adoption, emphasizing the transformative potential of digital education. Participants actively engaged with Mr. Hembrahm, gaining valuable strategies to enhance teaching effectiveness, student participation, and overall learning experiences.

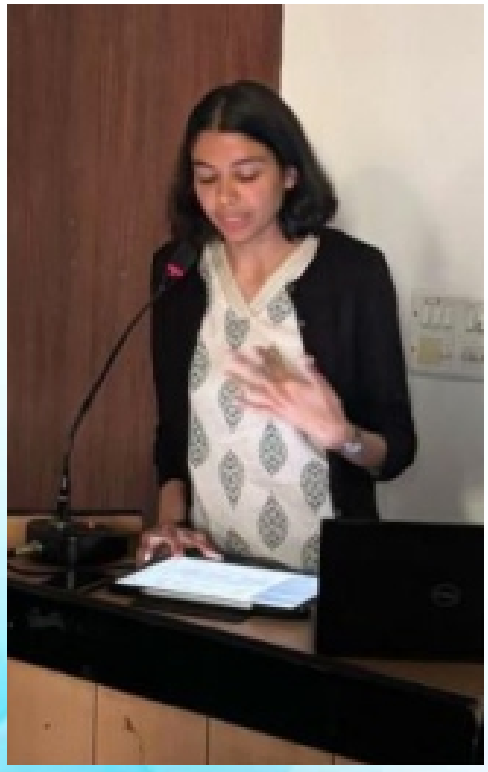

Alumni Inspired Students to Pursue Legal Education Abroad during a Global Alumni Forum Hosted by ALS

Amity Law School, Noida's Corporate Resource Centre (CRC), through its Higher Education Cell, organised an insightful guest lecture on "Unlocking International Horizons: A Guide to Studying Abroad" on 19 March 2025. The session aimed to provide students with a clear roadmap for pursuing legal education overseas, covering aspects such as application strategies, course selection, and global career prospects. Distinguished alumni shared their academic and professional journeys, offering first-hand guidance. Ms. Pallvi Hooda, Advocate, Delhi High Court, and LLM graduate from Harvard Law School (BBA LLB (H), Class of 2020), spoke about navigating competitive admissions and thriving in rigorous academic environments. Mr. Siddharth Chaturvedi, Associate at Fly Homes and LLM graduate from Nottingham Law School (BA LLB (H), Class of 2021), shared insights on leveraging international education for diverse career opportunities. Mr. Navtej Singh Ruprah, Advocate, Delhi High Court, and LLM graduate from Queen Mary University of London, discussed adapting to cross-cultural academic settings and the value of global exposure in legal practice.

ASAPL Organised Research and Innovation Initiatives

Amity School of Architecture and Planning organised an engaging "Alumni Expert Discussion for Enhancing Research and Innovation Collaboration" on 4th June 2025. The session featured alumnus Ar. Neelabh Bose, Architect and Industrial Designer at DK and Associates, B. Arch. Class of 2021, who is widely recognised for his work in sustainable architecture and urban innovation. Addressing faculty members, he shared insights from his research-driven professional journey and explored ways to align architectural education with real-world industry challenges. Key discussions focused on establishing alumni-led research clusters in emerging areas, initiating collaborative projects with students and faculty, and forming an Alumni-Innovation Council to bridge academia and practice. Ideas for guest lectures, workshops, design competitions, and digital collaboration platforms were also discussed, with a commitment to launch pilot initiatives in the coming semester. The meeting strengthened alumni-institute ties and set the stage for long-term, innovation-driven partnerships.

Insights on Autonomous Connected Vehicles from ASET Alumnus

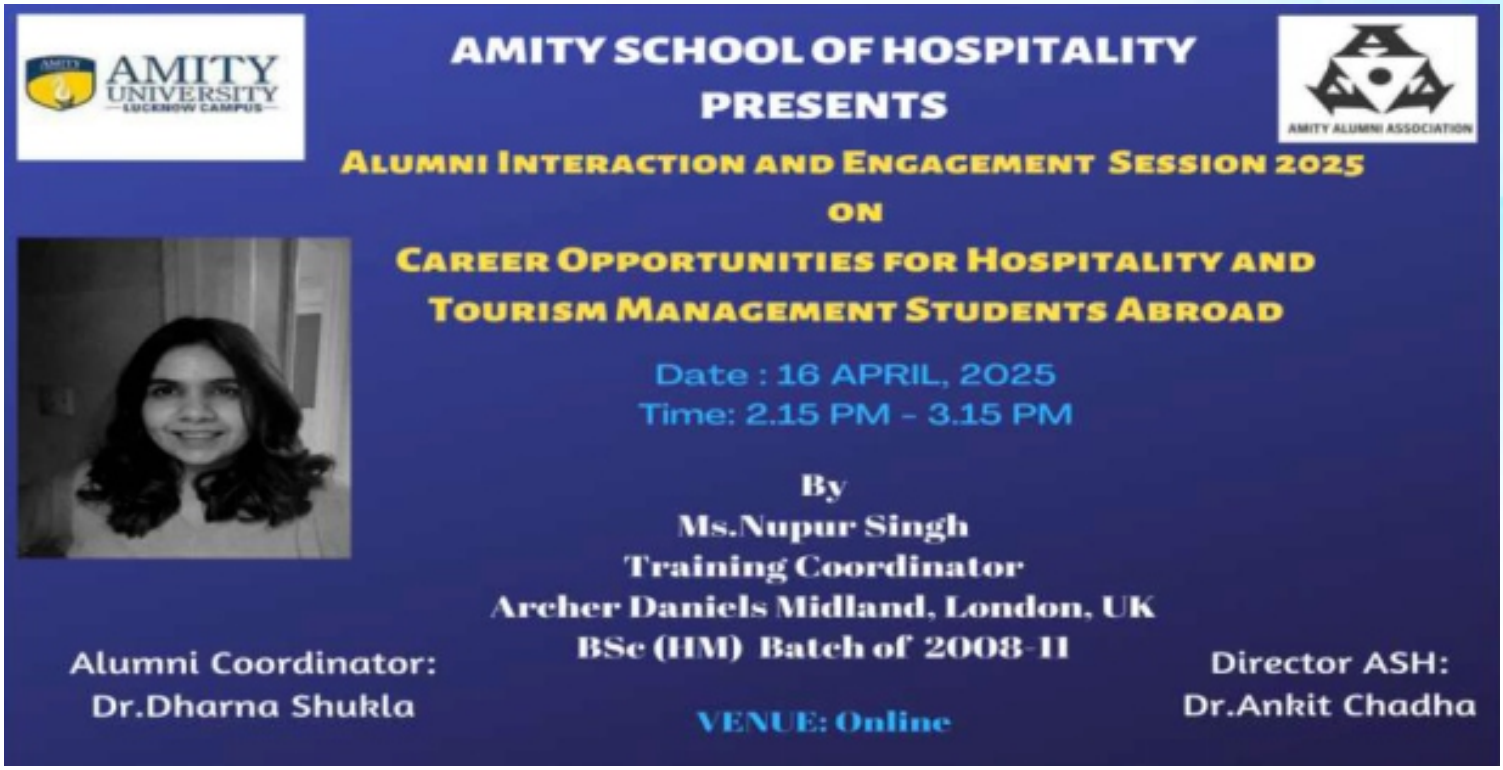

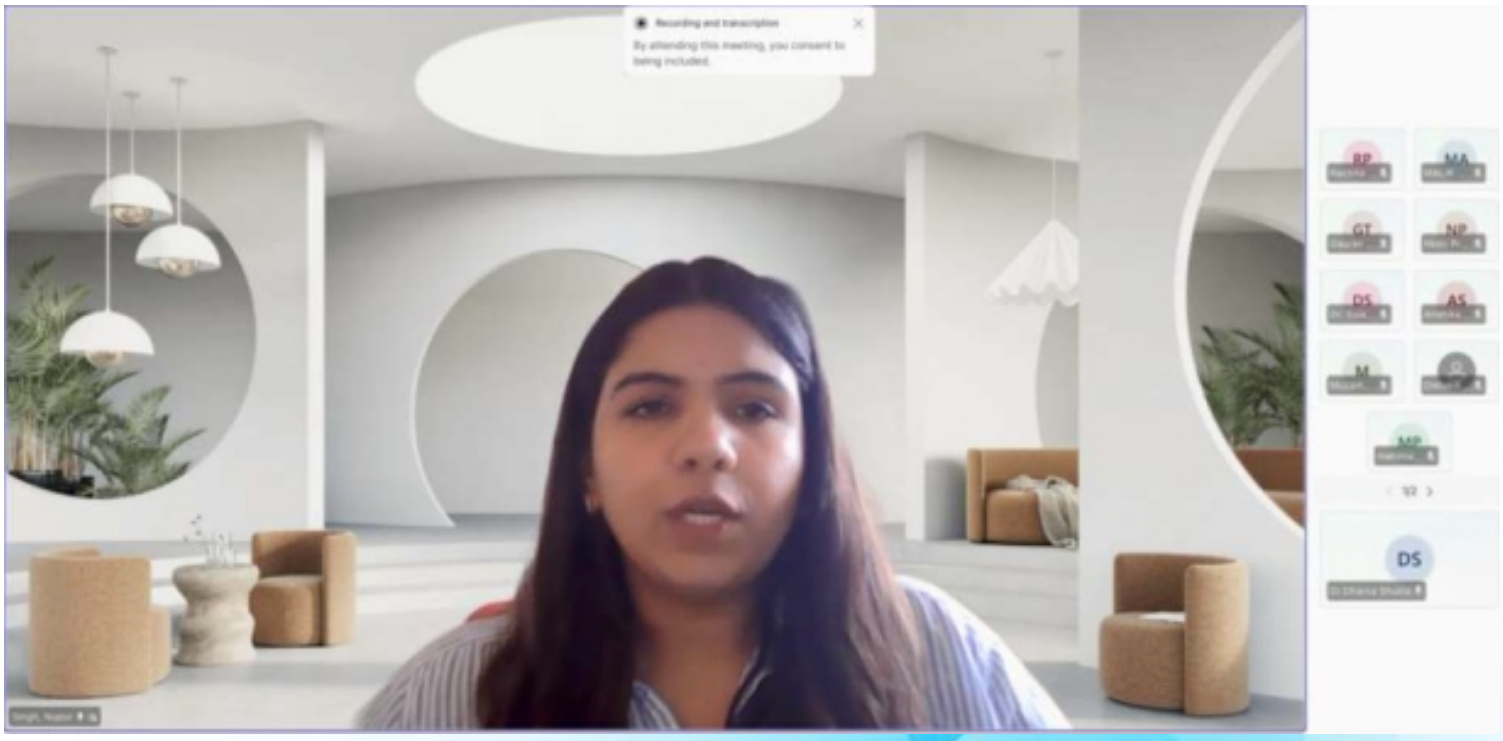

Glimpses from the event, Current Advancement in Electric and Hybrid Vehicle Technology

Amity School of Engineering and Technology, Lucknow, hosted a highly engaging alumni session on 2 June 2025 as part of its 8-day 2nd International FDP cum Short-Term Course on *Current Advancement in Electric and Hybrid Vehicle Technology: Opportunities and Challenges (CADeHVT-2025)*. The event, held in the ECE/EEE Department, featured Dr. Amar Choudhary, Assistant Professor at Alliance University, Bengaluru, and Ph.D. (ECE, Class of 2022) alumnus of Amity University, Lucknow. Addressing around sixty participants from academia and industry across India and abroad, Dr. Choudhary delivered an insightful talk on "The World of Autonomous Connected Vehicles," emphasizing industry-readiness, research skills, and employability enhancement for students at undergraduate, postgraduate, and doctoral levels. His guidance, coupled with valuable closing remarks from Dr. K. K. Singh, inspired attendees to pursue excellence in emerging technologies. The session was well received, with participants expressing interest in more such alumni-led knowledge exchanges.

Alumna Inspired and Informed Students of ASHL on Hospitality Careers Abroad

Amity Alumni Association, Lucknow in collaboration with the Amity School of Hospitality Lucknow, organized an "Alumni Interaction and Engagement Session 2025" on April 16, 2025. This online event focused on "Career Opportunities for Hospitality and Tourism Management Students Abroad." Ms. Nupur Singh, an alumna from the BSc.HM, Class of 2011, currently working as a Training Coordinator at Archer Daniels Midland, London, UK, served as the key speaker. Her valuable insights and experiences aimed to inspire current students and strengthen the university-alumni connection, demonstrating the long-term benefits of an Amity education and fostering a sense of community.

Nupur Singh during her session

Alumni Speaker Highlights Healthcare Advancements

Amity School of Engineering and Technology, Lucknow, successfully hosted a Keynote Speech on 21 March 2025, as part of the IETE International Conference on Computing Communication & Intelligent Systems (ICCCIS-2025). The event featured distinguished alumnus Dr. Mohammad Maroof Siddiqui, Professor at the College of Engineering, Dhofar University, Oman. Dr. Siddiqui, who completed his Ph.D. in 2018, delivered an insightful talk on "Advancements in Healthcare Through Electronics Engineering." His presentation aimed to guide current students on employability, enhance research skills in Bio Signal Processing and V2X applications, and prepare them for industry and research.

Online Session by Dr. Mohammad Maroof Siddiqui, Dhofar University, Oman

Aathva Sarg: Eighth Canto Drama United Alumni and Students in the Event Hosted by ASLL

A Moment during the Play

Alumni Association of Amity School of Languages, in collaboration with the Mimesis Dramatics and Film Club, hosted a captivating theatrical event on 20 February 2025. The production, an adaptation of Surendra Verma's Hindi drama *Aathva Sarg* (The Eighth Canto), explored themes of artistic freedom and censorship through Kalidasa's controversial work. The event aimed to strengthen alumni-institution-student relationships, foster a sense of belonging, and provide a platform for interaction. Distinguished ASL alumni played a crucial role: Ms. Kaveri Yadav, a Teacher at C.M.S. (BA (H) English, Class of 2023), assisted with costume design; Mr. Vikash Singh, President of Ehsaaz Foundation (BA (H) English, Class of 2020), contributed to stage design; and Mr. Aman Shah, an Actor from Amity University (BA (H) English, Class of 2020), offered valuable insights on acting.

Alumni Enrich Navruz Festivities at Amity Tashkent

Welcoming the spirit of spring and renewal, Amity University Tashkent celebrated Navroz on 20 March 2025 with a vibrant gathering of students, faculty, staff, and alumni. The campus came alive with traditional music, dance, colourful attire, and cultural displays that showcased the richness of Uzbek and regional heritage. Among the special guests were alumni Ms. Sevinch Kurbonova (IT, Huawei, Tashkent) and Ms. Nodira Yunusova (Product Manager, Better Future Group, Tashkent), whose participation strengthened the intergenerational bond within the Amity community. The celebration fostered unity, cultural pride, and alumni engagement, making it a joyful and memorable occasion for all.

Alumna Inspires at Huawei Placement Session at Tashkent

Highlighting its commitment to industry-academia collaboration, Amity University Tashkent hosted a special Placement and Internship Session with Huawei Uzbekistan, featuring distinguished alumna Ms. Shakhrizoda Isomitdinova (IT, Huawei). A participant of the prestigious Huawei Seeds for the Future program, Ms. Shakhrizoda shared her journey from Amity Tashkent to a thriving career in the tech sector, offering students practical insights into recruitment processes, essential skill sets, and the work culture of global technology companies. Her engaging interaction not only motivated students to prepare strategically for placements but also strengthened alumni-student connections, reinforcing Amity's role as a launchpad for global career opportunities.

Knowledge Sharing Sessions

Amity Alumna Shared Career Journey from Biotechnology to Global Consulting

Amity Institute of Biotechnology hosted an Alumni Success Stories session on 27 March 2025, featuring Ms. Priyanka Aggarwal (B.Sc.–M.Sc. Dual, Class of 2013), Executive Director & Chief of Staff at Molekule Consulting. Speaking online, Ms. Aggarwal shared her transition from research aspirations to leadership in biotech consulting, healthcare strategy, and drug commercialization. She highlighted the intersection of science and business, industry trends, and non-traditional career paths beyond lab research, offering students valuable insights into translating scientific discoveries into therapeutic innovations. The interactive session broadened perspectives on global biotechnology careers and inspired participants to explore diverse professional avenues.

Glimpses from the session with Ms. Priyanka Aggarwal on Career Lessons in the field of Biotech Consulting

AIFW Hosted Alumni Session on UK Higher Education and Otter Conservation

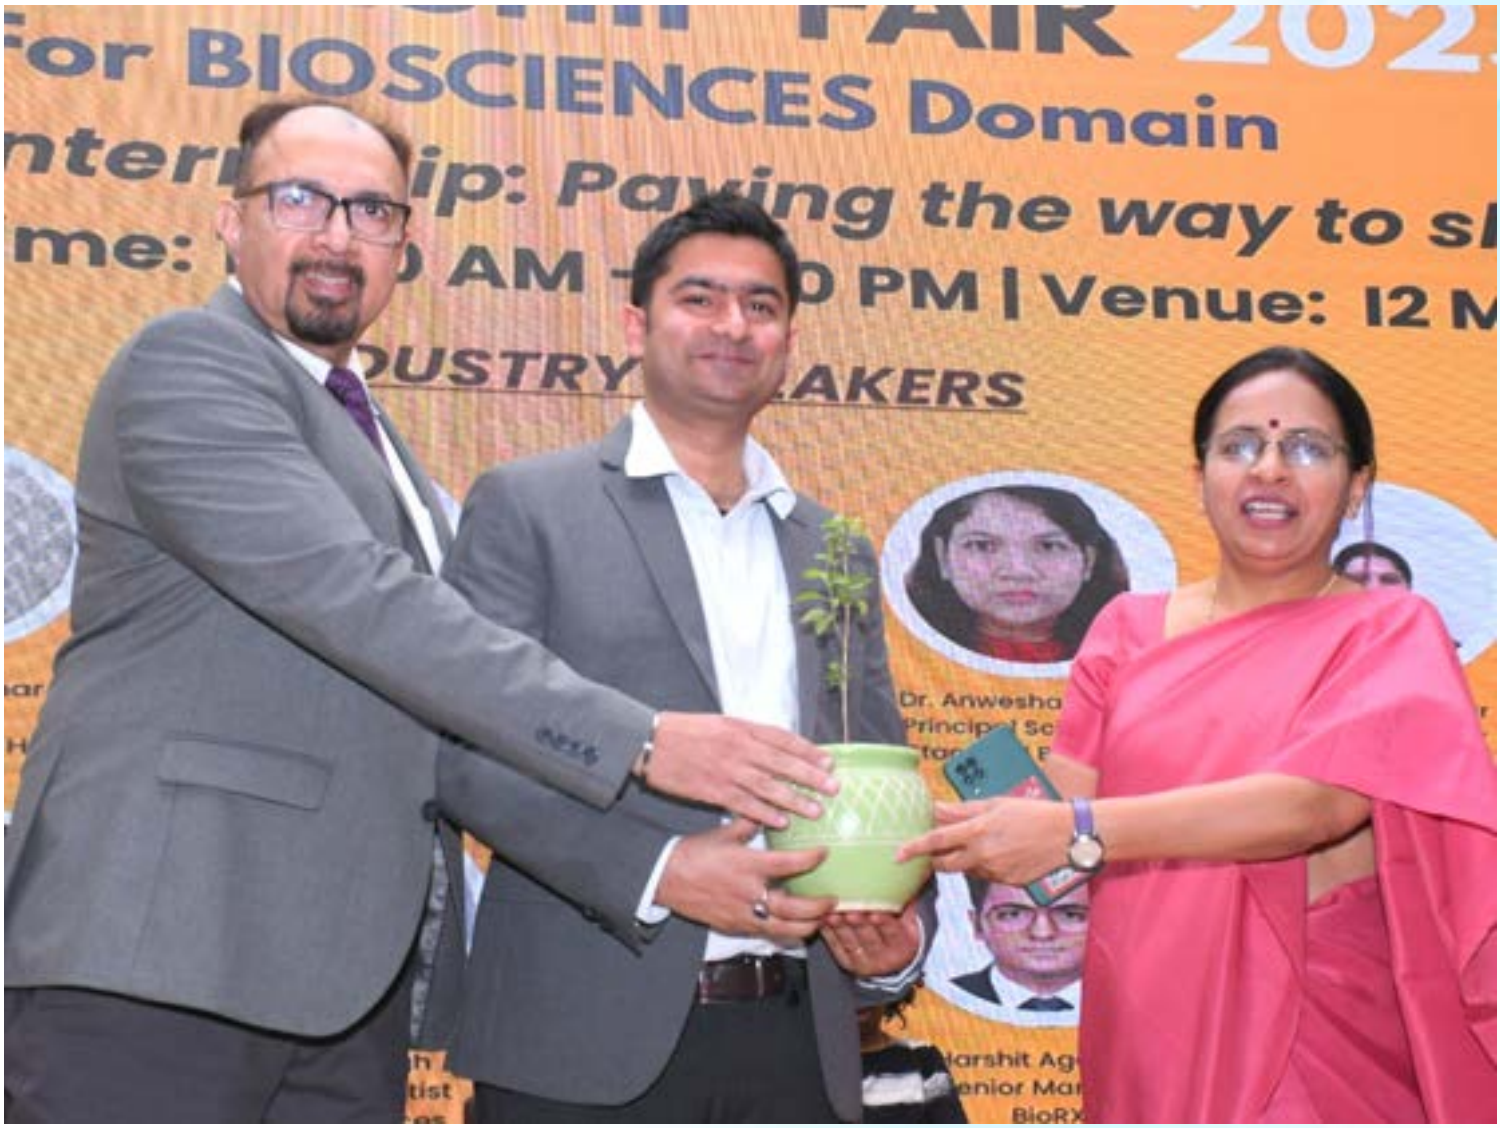

Amity Institute of Forestry and Wildlife (AIFW) organised a Career Counselling and Guidance session on 23 January 2025, featuring Ms. Apoorva Sodhi (M.Sc. Wildlife Science, Class of 2019), Research Student at Cardiff University, United Kingdom. In her talk, "Scope of Higher Education in the United Kingdom," Ms. Sodhi outlined academic pathways in forestry, wildlife, and conservation sciences, covering university selection, scholarship opportunities, application processes, and the research-oriented academic culture in the UK. She also shared her expertise in otter conservation, explaining their ecological significance, field survey techniques, and global research collaborations. The session concluded with an interactive Q&A, inspiring UG and PG students to explore higher education abroad and pursue impactful careers in wildlife conservation and research.

Apoorva Sodhi engages students on UK education and Otter conservation.

AIB Hosted Knowledge-Sharing Session with Biotech Entrepreneur Arjun Gupta

Amity Institute of Biotechnology organised a Knowledge-Sharing session on 2 April 2025, featuring Mr. Arjun Gupta (B.Tech Biotechnology, Class of 2009), Founder of Genetico Research and Diagnostics Pvt. Ltd., Delhi. Speaking on "Global Scenario of Employment: Reasons to Have a Startup," Mr. Gupta shared his professional journey from research aspirations to establishing a successful biotech enterprise, offering guidance on exploring non-traditional careers in biotechnology, healthcare strategy, and drug commercialization. He highlighted the intersection of science and business, the role of research in driving therapeutic innovations, and strategies for navigating industry shifts. The interactive session inspired students to consider diverse career pathways and entrepreneurial opportunities in the biotechnology sector.

Felicitation of guest speaker at Biosciences Internship Fair 2025.

AIMT Alumna Enriched IPR Awareness Conference

On 10 April 2025, Amity University, Noida, hosted a high-impact workshop on "IPR Awareness, Generation, Promotion, and Augmentation in IPR Filings", bringing together eminent voices from academia, industry, and the legal fraternity to discuss strategies for strengthening India's intellectual property landscape. Among the distinguished panellists was Dr. Ruchika Bajaj, Patent Agent at Lexorbis, New Delhi, and alumna of M.Sc. Microbiology, Class of 2011. Drawing from her professional expertise, Dr. Bajaj shared actionable strategies to enhance IP filings, highlighted the role of IPR in fostering innovation, and underscored the need for awareness and institutional support in research ecosystems. Her engaging inputs added depth to the deliberations, reinforcing Amity's commitment to fostering a culture of innovation, protection, and commercialisation of intellectual property.

Knowledge Sharing Session by Dr. Ruchika Bajaj on IPR Awareness

Rohan Nagpal Offers Industry Roadmap in Regulatory Affairs

Exploring the vital and fast-evolving domain of healthcare regulatory affairs, Amity Institute of Pharmacy, hosted an Alumni Forum for Enhancing Research & Innovation session on 10 April 2025. The guest speaker, Mr. Rohan Nagpal, Research Affairs Associate at Johnson & Johnson, Gurgaon, and alumnus of B.Pharm, Class of 2023, shared an insider's perspective on regulatory strategy, compliance management, and dossier preparation across global agencies like the US FDA, EMA, and CDSCO. He also guided students on career pathways, skill development, and aligning academic learning with industry expectations, while addressing emerging opportunities such as AI integration in regulatory systems. The interactive Q&A covered interview preparation, certifications, and industry trends, leaving participants with actionable strategies to excel in this specialised field.

Glimpses from the Session with Rohan Nagpal, hosted by AIP

Guest Lecture on Global Career Pathways in Healthcare Administration

Amity Institute of Public Health & Hospital Administration hosted an insightful alumni Guest Lecture on 3 February 2025 under its Alumni Activity Series, featuring Mr. Mohammad Raise PK, CEO & Founder of Raise Consultancy for Healthcare, UAE, and alumnus of the MHA, Class of 2022. The session, titled "Career Opportunities in Hospital Administration and Healthcare Quality", provided students with valuable perspectives on transitioning from academics to professional roles, especially in international healthcare settings. Drawing from his own journey, Mr. Raise discussed hospital quality management systems, accreditation processes, and regulatory frameworks in the Middle East, while stressing the importance of soft skills, certifications, and adaptability for career growth. The interactive lecture, held at the institute's campus, encouraged active student participation and reinforced the importance of aligning academic knowledge with industry expectations.

Alumni Expert Shared Career Strategies for Automobile and Aeronautical Sectors

Interactive alumni session on career growth and felicitation of Alumni after the event

Amity Institute of Technology hosted an Alumni Expert Talk Series session on 20 March 2025, featuring Mr. Pratyush Singh, Manager at Mahindra & Mahindra and alumnus of B.Tech (Automobile Engineering), Class of 2020. Addressing students, Mr. Singh shared his professional journey, offering actionable guidance on career progression in the automobile and aeronautical industries. He discussed recruitment processes, the critical role of technical and soft skills, and effective strategies for interviews, resume building, and communication. Emphasising the value of internships aligned with long-term goals, he also highlighted continuous learning and networking as pillars of professional growth. The interactive session concluded with an engaging Q&A, leaving students with a clearer roadmap for navigating competitive job markets.

Alumna Shruti Gupta Conducted Training on Oral Speaking Skills for Budding Advocates

Amity Law School organised a Training Session on Oral Speaking Skills on 16 January 2025, aimed at enhancing advocacy skills, fostering critical thinking, improving communication, and boosting confidence among students. The interactive offline session was conducted by alumna Ms. Shruti Gupta, In-house Counsel at Devyani International Limited, Gurgaon, and a BBALL.B (Hons.), Class of 2021. Through engaging discussions and practical exercises, Ms. Gupta guided participants on key aspects of public speaking, including voice modulation, clarity, audience engagement, and effective body language. She also shared valuable insights on courtroom decorum, presenting persuasive arguments, and confidently engaging with judges and opposing counsel, leaving students better equipped to excel in both academic moots and professional legal practice.

Esteemed Alumna conducting her session on "Training Session on Oral Speaking Skills" at Amity Law School, Noida Campus

Practical Research Insights by Alumna Ipsa Khanna of ASE

Amity School of Economics hosted a successful event, "Research Horizons Bridging Academia and Practice," on 3 January 2025. Ms. Ipsa Khanna, a Research Analyst at Applied Researches and esteemed alumna of the school (M.A in Economics, Class of 2023), shared her experiences and challenges in academic and professional research. She highlighted her editorial work on Springer's *Handbook on Construction Project Management* and research on renewable energy transition. The event included a hands-on workshop on developing impactful research proposals and understanding the publication process, inspiring students to pursue rigorous research.

Alumna Ipsa Khanna with the Faculty Members at Amity School of Economics

Fostering Inclusive Classrooms Through Alumni Perspectives

Amity Institute of Education hosted an Alumni Knowledge Sharing session on 10 June 2025, focusing on strategies to create inclusive classrooms, manage student behaviour, and promote overall well-being. Ms. Somya Joshi, English Teacher, alumna of the B.Ed. program, Class of 2023, led the session, emphasizing empathy, social-emotional learning, mindfulness, and teacher self-care. She shared practical approaches for fostering positive teacher-student relationships, addressing behavioural challenges, implementing restorative practices and creating supportive classroom cultures. The interactive session highlighted the importance of ongoing professional development, collaboration, and innovative strategies in shaping inclusive, nurturing learning environments in today's competitive educational landscape.

Alumna Astha Agarwal Shared Insights on Career Development

Amity School of Economics recently hosted an engaging session titled "A Journey from Academia to the Corporate World" on 29 January 2025. Esteemed alumna Ms. Astha Agarwal shared her academic and professional journey, highlighting the importance of perseverance, networking, and skill development. She emphasized the role of internships in shaping careers and provided guidance on crafting impactful CVs/resumes and effective interview strategies. The interactive session helped students bridge the gap between academics and professional success, gaining clarity on proactive career planning and continuous learning.

Alumna Astha Agarwal delivering her lecture and interacting with the students

ALS Alumni Contributed to Northern Region Consultation on Women in Prisons

Amity Law School organised the *Regional Law Review Consultation (Northern Region) on Laws Relating to Women in Prisons* on 8 January 2025, bringing together legal experts and stakeholders to assess and recommend reforms for the treatment and rights of incarcerated women. The session saw active participation from distinguished alumni, including Mr. Rajdeep Saraff, Advocate at the Delhi High Court, and Ms. Aaeshna Singh, Associate at Amarchand Mangaldas, both graduates of the BA LLB (Hons.) programme, Class of 2023. Drawing on their courtroom experience and legal expertise, the alumni provided insightful perspectives on policy gaps, procedural reforms, and the need for gender-sensitive approaches in prison administration. The consultation underscored Amity's role in shaping socially responsive legal discourse and fostering alumni engagement in critical law reform initiatives.

Civil Services Insights Shared by Distinguished Alumnus

Amity Institute of Liberal Arts, Lucknow, welcomed alumnus Mr. Anaya Kumar, B.A. (Hons), an aspirant for the Indian Civil Services Exam, for an engaging *Knowledge-Sharing Event* on 3 February 2025. Mr. Kumar interacted with graduates, offering valuable guidance on career growth, personal development, and navigating post-university opportunities. His candid reflections on institute life, combined with practical tips for balancing aspirations and academics, provided students with fresh perspectives and actionable insights. The session fostered meaningful dialogue between alumni and graduates, strengthening connections and inspiring students to explore their professional pathways with confidence.

ASE Alumna Eshita Datta Shares Insights on Hypothesis Testing

Eshita Datta delivering her lecture on Hybrid Mode on Hypothesis Testing

Amity School of Economics hosted a guest lecture on Hypothesis Testing, conducted by distinguished alumna Ms. Eshita Datta, on 1 April 2025. Ms. Eshita Datta, currently working as a Consultant, Social Impact Practices, Insights & Advisory Evalueserve shared her expertise in data analytics and research, providing students with a comprehensive understanding of hypothesis testing. The session covered key concepts, including null and alternative hypotheses, p-values, and significance levels, and demonstrated the practical application of hypothesis testing in business decision-making and market research. Through interactive examples and real-world datasets, Ms. Datta engaged students and encouraged them to ask questions, offering valuable advice on career development and the importance of statistical knowledge in today's data-driven world.

Teaching Skills Masterclass for Students of AIEL

The event by Dr. Shobanna Singh

Amity Institute of Education, Lucknow organized an Alumni *Knowledge Sharing Series* on 11 February 2025, focusing on "Essential Skills for Teachers: Interpersonal, Communicative and Positive Behavioural Competencies." The session featured Dr. Shobhana Singh, Assistant Professor at the School of Management Sciences, Lucknow, and alumna of B.Ed., Class of 2012, who shared her professional journey and insights with pupil teachers. She emphasized the importance of developing interpersonal and communicative skills, fostering positive behaviour, and the competencies required to transition effectively from campus life to the teaching profession. Drawing from her own experiences, Dr. Singh highlighted how her time at AIE shaped her teaching abilities and prepared her for professional challenges. The interactive session provided students with practical guidance on nurturing essential skills to become effective educators, reinforcing the value of alumni engagement in professional development.

Dr. Shobanna delivering her lecture on Essential Skills for Teachers in the contemporary time

Alumni Inspired Students with Civil Services Insights at AILAL

Mr. Jaiswal's engaging discussion on career growth, personal development, and strategies for balancing university studies with civil services coaching

On 10 March 2025, the Amity Institute of Liberal Arts, Lucknow, hosted a Knowledge-Sharing Event for BA (Hons.) Political Science and History, Semester 4 students. The session featured alumnus Mr. Mohit Jaiswal, B.A. (Hons.) History, Class of 2024, who is currently preparing for the Indian Civil Services Exam. Mr. Jaiswal engaged students in an interactive discussion on career growth, personal development, and strategies for balancing university studies with civil services coaching. Sharing candid insights from his own preparation journey, he offered practical guidance and motivation to aspiring civil service candidates. The session fostered meaningful dialogue, strengthened alumni-student connections, and provided students with valuable perspectives on achieving academic and professional goals.

Alumni Reflect on Constitution Achievements and Contemporary Challenges

Amity Law School, Lucknow, organized an Alumni *Knowledge Sharing Series* on 31 January 2025, commemorating 75 years of the Indian Constitution. The online event brought together distinguished alumni including Mr. Ishan Tripathi, Assistant Professor at City Law College, University of Lucknow (BA.LLB, Class of 2021, LLM, Class of 2022), and Mr. Jitendra Rajput, Advocate and Founder of Nyay Dhara Law Firm, Darbhanga, Bihar (LLM, Class of 2024). The session provided students with an in-depth understanding of the Constitution's evolution, key achievements such as strengthening fundamental rights, judicial activism, and the promotion of social justice, while also discussing contemporary challenges including centralization of power, delays in justice, and freedom of expression concerns. The alumni shared critical insights on landmark judgments, constitutional reforms, and balancing democratic principles in a changing socio-political context, inspiring students to engage with law both academically and professionally while boosting their confidence and readiness for future legal challenges.

Ishan Tripathi and Jitendra Rajput at the session on Constitution Achievements and Contemporary Challenges at ALS, Lucknow

Ar. Laraib Amin Khan Shared Journey from Graduate to Design Entrepreneur

Ar. Laraib interacting with the students at ASAP, Lucknow

Amity School of Architecture and Planning, Lucknow Campus, organised an interactive session titled "Entrepreneurship in Architecture and Interior Design" on 9th June 2025, Monday, for summer semester B.Arch. and BID students. The session featured alumnus Ar. Laraib Amin Khan, Founder and Principal Architect at Laraib Amin Architects and Associates, B.Arch. Class of 2020, who shared his entrepreneurial journey from completing academics to establishing his own architectural consultancy. He discussed the challenges faced during the startup phase, emphasised the role of internships, and highlighted how technology and social media have supported his professional growth. The discourse offered valuable insights into building a career in design entrepreneurship, inspiring students to explore independent professional pathways.

Alumnus Yashovardhan Singh Parmar Shared Actuarial Journey and Global Study Insights

Yashovardhan Singh Parmar being felicitated by the esteemed Faculty Members.

Amity School of Applied Sciences, Lucknow, organised an interactive session with distinguished alumnus Mr. Yashovardhan Singh Parmar on his recent visit. A B.Stat graduate of the Class of 2024 and a university topper, Mr. Parmar has secured admission to the PG programme at the University of Leeds, UK. He has also qualified CS1, CM1, CB1, CB2, and CS2, and gained professional experience as a Financial Analyst at SEEK and Statistical Analyst at ESPN. Addressing undergraduate students of Statistics and B.Sc. (Hons.) Mathematics, he shared preparation strategies, time management techniques, and insights into Actuarial Sciences, blending academic guidance with career advice. His candid interaction and practical tips left students motivated to pursue excellence in academics and global opportunities.

Insights on Media Advertising and Startup Careers Hosted by ASCOL

Varul Mayank with the Faculty and Students of ASCOL after his engaging session.

Amity School of Communication, Lucknow, hosted an engaging session on 25 February 2025, featuring distinguished alumnus Mr. Varul Mayank, Founder of KnockSense and a graduate from the BJMC Program, Class of 2016. As part of the Amity Alumni Entrepreneurs Forum, Mr. Mayank shared his entrepreneurial journey from intern to co-founder of a prominent startup, offering students valuable perspectives on industry trends in media, advertising, and startups. He emphasized the importance of ethical journalism, the continued relevance of newspaper reading, and the need for adaptability in a fast-evolving industry. Drawing from his professional experiences, he highlighted essential skills such as content marketing, storytelling, branding, and entrepreneurship, while advising students to leverage internships as a key to career success.

Alumna Inspired Students on Creative Futures in Design

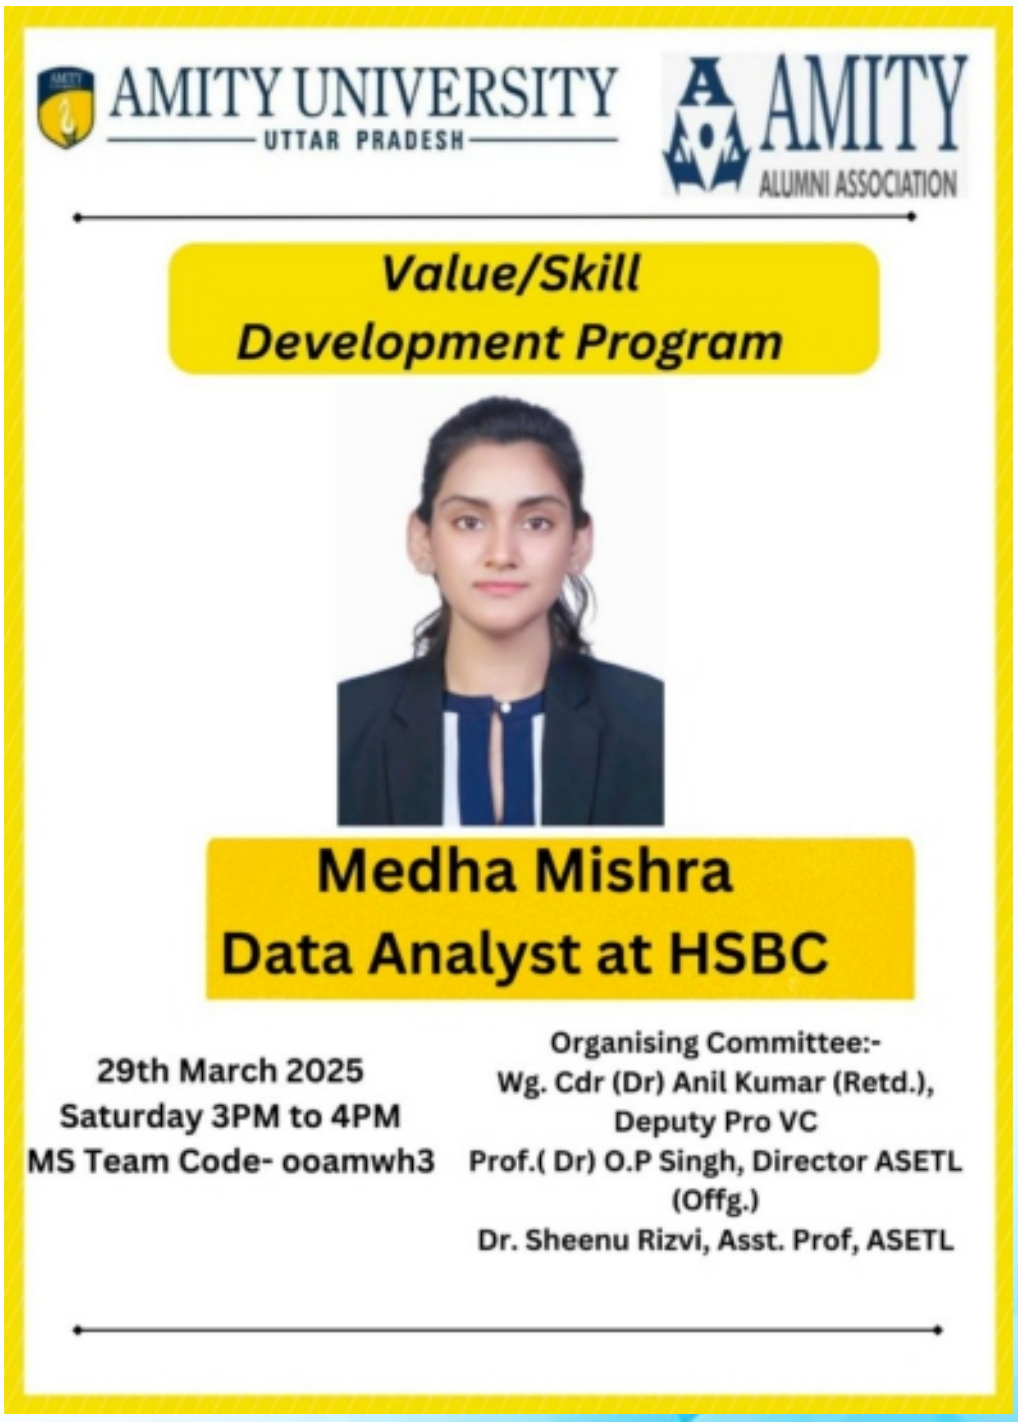

Ar. Renuka Singh with the students of ASAP, Lucknow

Amity School of Architecture and Planning, Lucknow Campus, hosted a career counselling session titled "Creative Futures: Evolving Roles and Specializations in the Design Industry" on 5 June 2025, Thursday, for B.Arch. and BID students staying in Lucknow and those attending the summer semester. The interactive discourse featured alumna Ar. Renuka Singh, Partner and Architect at Studio Dishayein, Lucknow, B.Arch., Class of 2018, who shared her professional journey across diverse projects including group housing, institutional buildings, retail spaces, and residences. She offered valuable insights into specialised career pathways, test preparation, admissions guidance, scholarships, and job opportunities in architecture and interior design. The session encouraged students to explore global opportunities while aligning their skills with emerging industry demands, marking a significant step towards strengthening alumni-student engagement and fostering informed career planning.

Alumna Interacted with Students of ASETL on Building Industry Readiness

Amity School of Engineering and Technology, Lucknow, organised an online *Value/Skill Development Programme* on 29 March 2025, featuring distinguished alumna Medha Mishra, Data Analyst at HSBC, Bangalore, and a B.Tech. CSE graduate of Amity (Class of 2020). Addressing over 25 participants from various engineering streams, Ms. Mishra shared her professional journey and offered guidance on transitioning successfully from campus to corporate life. She highlighted the importance of developing soft skills, mastering emerging technologies, and setting clear short- and long-term career goals. Speaking from her industry experience, she provided practical tips on enhancing employability, drafting skills, and AI competency. The session concluded with a vote of thanks from Dr. Sheenu Rizvi, with participants expressing that the interaction was highly enriching and motivating, sparking enthusiasm for more such alumni-led initiatives in the future.

ASETL Organised an Event on Advancing Aerospace Quality Management Knowledge

Amity School of Engineering and Technology, Lucknow, hosted an online alumni-led session on 12 March 2025 via MS Teams. The event, titled "Aerospace Industry Standard – Quality Management," featured alumnus Mr. Ronnit Bhawmik, Junior Executive at Tata Advanced System, Hyderabad, and a B.Tech (MAE) graduate of Amity. The session introduced participants to Aerospace Quality Management Systems (QMS), with an emphasis on AS9100 and ISO 9001 standards, risk management, process control, supplier quality assurance, and quality–safety integration. Mr. Bhawmik also discussed emerging trends such as AI-driven quality control and sustainability in aerospace manufacturing. Attendees gained valuable insights into regulatory compliance, certification processes, and future career opportunities in aerospace quality assurance, with strong positive feedback on the session's practical relevance and expert delivery.

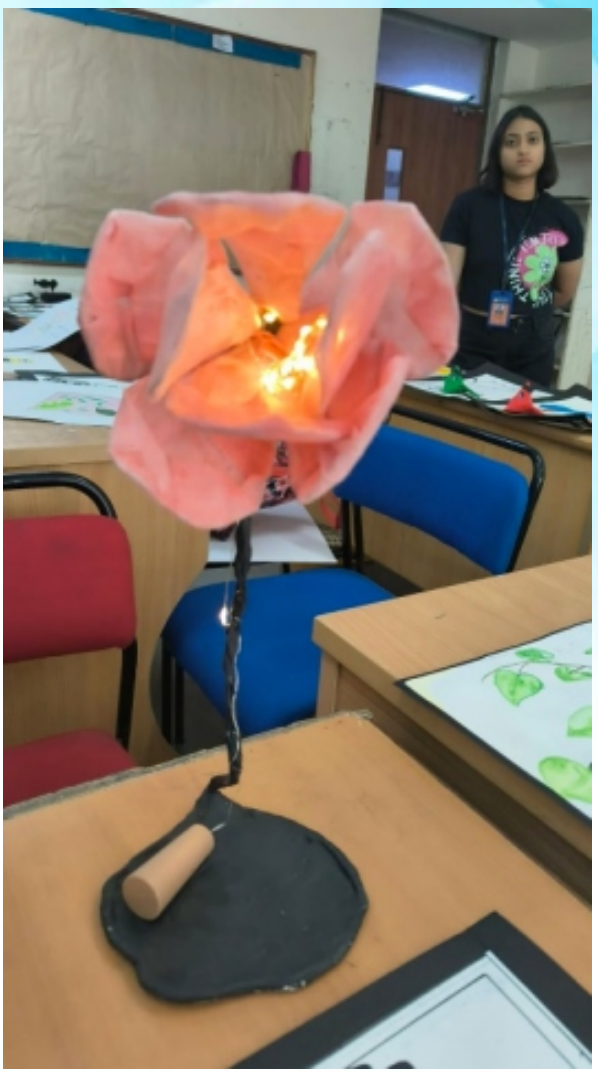

ASFAL Organises Event on Impact of Manual Work on Art

Amity School of Fine Arts, Lucknow, organized an alumni interaction on 14 May 2025. The event, titled "Importance of Manual Work for Idea Generation and its Impact on Final Art Work," featured Mr. Firoz Ahmad, an alumnus from the MFA in Applied Art program, Class of 2015 at Amity School of Fine Arts.

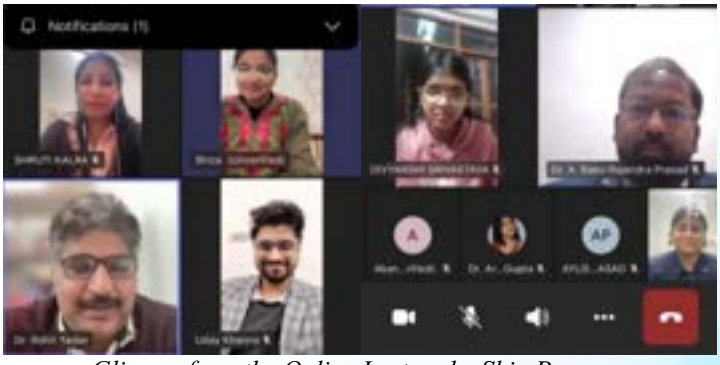

Mr. Ahmad, currently a Freelance Artist, shared invaluable insights into how physical engagement, exploration through imperfection, and the slower pace inherent in manual work act as catalysts for idea generation and help refine the final artwork. The session aimed to enhance the competencies of Fine Arts students, shifting their perspective on the irreplaceable value of manual creation in an increasingly digital world.

Students learning the importance of Manual Work for the Creativity and Inspiration of Self

Research in Humanities Uncovers Hidden Narratives

Glimpse from the Online Lecture by Shia Parvez Uncovering the Hidden Narratives of Umrao Jaan

The Amity School of Languages hosted an online alumni meet titled "Uncovering Hidden Narratives: Contemporary Research in the Humanities" on 15 January 2025. The event provided a valuable platform for knowledge exchange and networking. The distinguished alumna Ms. Shiza Parwez, a student at Jamia Milia Islamia who pursued B.A. (Hons.) English, Class of 2023 at Amity, led the discussion. She explored the cultural narratives of *Umrao Jaan*, the complexities of colonial influence versus traditional artistry, decolonization, and contemporary gender studies, including queer feminism and post-feminism. The session also highlighted the evolution of research methodologies, emphasizing the shift towards digital archives and audio-visual documentation.

Alumni Knowledge Sharing Event Hosted by ASETL

Amity School of Engineering and Technology, Lucknow, hosted a valuable knowledge-sharing event titled "Bridging Creativity and Communication: Unlocking Career Opportunities in Advertising and Entertainment" on 25 January 2025. The session featured distinguished alumna Ms. Muskaan Chandani, a Senior Executive Human Resource at TSBI (thesmallbigideas) Mumbai, who pursued her B.A.(Hons.) English, Class of 2020 at Amity. Ms. Chandani shared insights into career trends in freelancing and corporate communication, highlighting how literary skills translate into roles in content strategy, social media management, and creative direction, particularly within the advertising and entertainment sectors. She also reflected on her experiences at Amity, emphasizing the importance of soft skills and acknowledging the positive impact of campus activities like the Mimesis Dramatics and Film Club on her professional development.

Feminist Theory Explored at ASLL Alumni Session

On 14 January 2025, Amity School of Languages Alumni Association at Amity University Lucknow Campus hosted an insightful online session titled "Contemporary Feminist Theory". The event featured esteemed alumna Ms. Antara Bhattacharya, a Research Scholar at Jamia Millia Islamia and a B.A. (Hons.) English, Class of 2021. Ms. Bhattacharya presented a thought-provoking lecture on literature's role in shaping feminist theories, discussing the evolution of feminist thought through its four waves, with a focus on contemporary discourse encompassing marginalized communities and post-feminism. The session also highlighted influential works by Virginia Woolf, Helene Cixous, and Mary Wollstonecraft, along with contributions from Judith Butler and Luce Irigaray. The event concluded with engaging interactions between alumni, faculty, and students, enriching the overall discussion.

Career Navigation Insights from Alumna Mahwish Shakeel

Amity School of Languages successfully hosted an insightful session titled "Navigating Career Paths: Lessons from Experience" on 17 January 2025. The event provided a valuable platform for current sixth-semester BA (Hons.) English students to interact with distinguished alumna Ms. Mahwish Shakeel. Ms. Shakeel, a student at Amity University who graduated from the B.A. (Hons.) English program, Class of 2023, shared crucial insights into balancing semester studies with competitive entrance exam preparation, specifically for CUET and UGC NET, recommending key resources like CUET books and KVS Madaan's book. She also highlighted how soft skills from her undergraduate studies have aided her professional growth, including her current pursuit of a Bachelor of Education (B.Ed.) degree, and emphasized the importance of maintaining good health during intensive study periods.

Mahwish Shakeel shares important lessons for CUET

Alumni Session on Digital Technologies in Healthcare in Amity University, Tashkent

Amity Innovation, Design and Research Center, Amity University in Tashkent successfully hosted an Alumni Interaction Series session on 21 February 2025, featuring distinguished alumnus Mr. Mukesh Roy. Currently serving as a Clinical Researcher and Senior Biostatistician at Baptist Health, South Florida, USA, Mr. Roy delivered an insightful talk on the "Role of Digital Technologies in Healthcare and Disease Diagnostics." The session provided participants with invaluable perspectives on how digital tools are revolutionizing clinical research, biostatistics, and patient care globally. It effectively bridged the gap between academic learning and real-world applications, fostering interdisciplinary thinking and inspiring students towards emerging career paths and research opportunities, while also significantly strengthening alumni engagement and promoting a culture of global learning within the university community.

Alumna Dr. Saliha Rizvi Guided Students on Careers in Biotechnology

Amity Institute of Biotechnology hosted a grooming session on 9 January 2025, aimed at making students industry and research oriented, updating them on emerging biotechnology trends, and equipping them with skills for higher studies and research. Dr. Saliha Rizvi, Assistant Professor at the Department of Biotechnology, Era University, Lucknow, and a Ph.D. Biotechnology alumna of Amity Education Group, shared her insights on various career pathways in research, healthcare, and regulatory roles. She highlighted the importance of aligning personal strengths with industry requirements, staying updated with evolving technologies, and developing practical skills for long-term professional success. The interactive session provided students with expert guidance on career planning, research opportunities, and professional growth in biotechnology, reinforcing the institute's commitment to bridging academic learning with industry demands.

Alumni Shared Industry Insights with Amity Students

Aman Sinha with the Faculty and Students of ASE

Amity School of Economics hosted an insightful alumni session on 17th January 2025, featuring Mr. Aman Sinha, Product Manager at Turquoise Hibiscus Inc. and alumnus of Master's degree in Business Economics (2022-24). Mr. Sinha highlighted the importance of adaptability, communication skills, and strategic thinking in the corporate world. The interactive session included a Q&A round where students received valuable guidance on corporate expectations, interview strategies, and transitioning from academics to a professional setting. Mr. Sinha's experiences and advice provided students with a realistic glimpse into the industry, bridging the gap between classroom learning and industry expectations.

Grooming Session conducted by ASASL Alumnus Sateesh Yadav Inspired Students with JAM Success Journey

Amity School of Applied Sciences, Lucknow, hosted an interactive guidance session with its distinguished alumnus, Mr. Sateesh Yadav (B.Sc. Hons. Physics, Class of 2024), who secured All India Ranking (AIR) 2338 in the prestigious Joint Admission Test for M.Sc. (JAM).

Held on campus, the session brought together undergraduate students from Physics, Chemistry, Mathematics, and Statistics, who engaged in an insightful dialogue with Mr. Yadav on exam preparation strategies, key topics, time management, and effective study resources. Drawing from his own journey, he shared practical tips and motivation to help aspirants aim for top institutes such as IITs and NITs. Students appreciated his approachable style and found the interaction highly encouraging, leaving with renewed confidence and determination to excel in competitive exams.

Shaping Engineers for the Corporate World

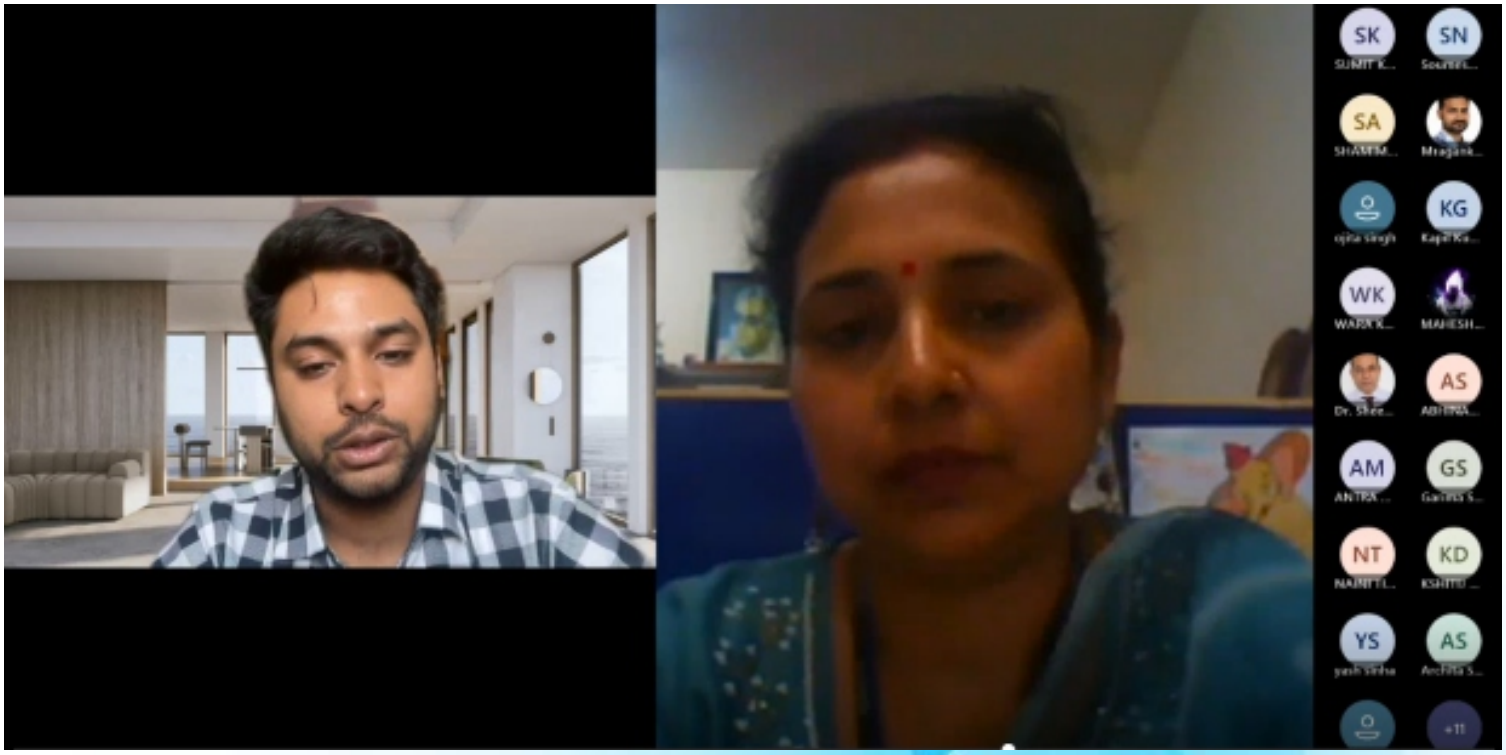

Alumna Hafsah Iqbal Khan delivering her Online Grooming Session

Amity School of Engineering and Technology, Lucknow, hosted an engaging online grooming session on 11 March 2025, featuring alumna Ms. Hafsah Iqbal Khan, Associate Data Engineer at Shell Business Operations, Bangalore, and alumna of B.Tech. CSE, Class of 2023. Over 30 students from various engineering programs attended the session, which focused on enhancing employability, understanding corporate culture, and developing essential soft skills. Ms. Khan shared strategies for mastering emerging technologies, AI competencies, and drafting skills, while also guiding students on setting short- and long-term career goals. The highly interactive session received positive feedback, with students expressing eagerness for more such alumni-led engagements in the future.

Alumni Inspired Students with Software Development Insights

Amity School of Engineering and Technology, Lucknow, recently hosted a highly insightful *Alumni Knowledge and Experience Sharing* series event titled "Aspects of Software Development for Industrial Applications." Held online on 12 March 2025, the session featured distinguished alumnus Mr. Sampann Sinha, a Business Analyst at Zomato and a graduate from the B.Tech. CSE Program, Class of 2018. Mr. Sinha shared valuable guidance on industry trends, enhancing competitive skills, and preparing for careers and higher studies, providing approximately 70 participating students with practical tips and fostering an engaging and well-received interaction.

Online Alumni Guest Lecture by Sampann Sinha, Alumnus of ASETL

Career Counselling and Guidance Sessions

Amity Alumnus Shared Global Research Journey at Alumni Success Stories Session

Amity Institute of Biotechnology hosted an *Alumni Success Stories* session on 25 March 2025 featuring Dr. Abhishek Arora (B.Sc. Medical Biotechnology, Class of 2016), Oxford graduate and Postdoctoral Researcher at Karolinska Institutet & SciLifeLab, Sweden. Speaking online from Stockholm, Dr. Arora shared his journey from securing a fully funded MSc in Neuroscience at the University of Oxford to pursuing cutting-edge research in neuroscience and molecular biology at top global institutions. He offered practical advice on university selection, scholarships, GRE and IELTS preparation, and the value of research experience, inspiring students with actionable insights into building successful international academic and research careers.

Dr. Abhishek Arora delivering Online Lecture at an Interaction Session with Students of AIB

AIBHAS Hosts Alumni Session on Navigating Careers in Clinical Psychology

Amity Institute of Behavioural Health and Allied Sciences organised an Alumni Success Stories Session on 30 May 2025, featuring Ms. Bornali Mukherjee (M.Phil. Clinical Psychology, Class of 2024), Consultant Clinical Psychologist, Department of Neuroscience, Paras Hospital, Gurugram, and a Ph.D. scholar at Amity University, Noida. Sharing her journey from training to professional practice, Ms. Mukherjee offered practical insights on building a credible professional identity, managing early career challenges, salary expectations, and exploring diverse career opportunities in clinical psychology. She addressed ethical considerations, strategies for handling complex cases, and the importance of continuous learning, supervision, and work–life balance. The interactive session, attended by M.Phil., PsyD, and PDCP trainees, concluded with a Q&A, leaving participants inspired and better equipped to navigate the competitive field with confidence and clarity.

AIFW Hosted Alumni Career Guidance Session with Conservation Expert Priya Poonia

Amity Institute of Forestry and Wildlife organised a *Career Counselling and Guidance* Session on 22 January 2025, featuring Ms. Priya Poonia (M.Sc. Wildlife Science, Class of 2018), currently serving as a Project Manager at Wildlife Conservation Society, India, Bangalore.

Priya Poonia, Project Manager at Wildlife Conservation Society, Bangalore, India interacting with the students.

Speaking on "Career in the Field of Wildlife Conservation Practice", Ms. Poonia provided an in-depth overview of opportunities in the NGO sector, essential skills for conservation careers, and strategies for professional growth in wildlife research. She shared insights on research methods, community outreach, grant writing, and stakeholder collaboration, while narrating personal experiences that highlighted resilience and passion in the field. The interactive Q&A engaged UG and PG students, offering them practical guidance and inspiration to pursue impactful careers in wildlife conservation.

AIHAS organised Career Counselling and Guidance Sessions with Alumnus Dr. Yasir on Career in Physiotherapy

On January 22, 2025, an insightful alumni activity titled "Expanding Career Horizons in Physiotherapy and Alternative Medicine: From Academia to Professional Excellence" was held at Amity University. The session featured distinguished alumnus Dr. Yasir, a graduate from MPT Program, Class of 2017, who currently serves as a Senior Sports Physio with the Delhi State Table Tennis Team. Dr. Yasir shared invaluable experiences on transitioning from academia to clinical practice, exploring diverse career pathways in physiotherapy, and emphasizing the significance of continuous learning, research, and entrepreneurship in the field, providing attendees with comprehensive guidance for professional growth.

Dr. Yasir on Career Opportunities in the field of Physiotherapy.

AIB Hosted Career Mentoring Session with Biotech Entrepreneur Dr. Dolly Sharma

Amity Institute of Biotechnology organised a Career Counselling and Student Start-ups Mentoring session on 2 April 2025, featuring Dr. Dolly Sharma (Ph.D. Biotechnology, Class of 2023), Founder & Director of Chembiobridge, Noida. In her talk, "Career Journey and Advice for Students", Dr. Sharma shared her entrepreneurial and professional experiences, offering insights into sales, negotiation, marketing, and the biotechnology business landscape. She stressed the importance of strong professional relationships, communication, collaboration, skill development, and adaptability as essential tools for career success, inspiring students to strategically navigate today's competitive job market.

AIIT organised Alumni Session on Industry Tech for Analytics

On 6 February 2025, Amity Institute of Information Technology, hosted a highly insightful online placement session on "Industry Tech for Analytics." The event featured esteemed alumnus Mr. Devesh Wadhwa (MCA, Class of 2022), currently serving as an Analyst at NAB and PokerBaazi. Mr. Wadhwa provided valuable guidance to students, particularly those in postgraduate programs, on navigating the rapidly evolving digital employment landscape. He emphasized the critical importance of upskilling in areas like data science, data analytics, and sustainability-focused careers, highlighting how technology has transformed industries and simplified daily life while also underscoring the need for students to differentiate themselves in a competitive job market and align their skills with emerging demands, including the growing field of green jobs.

Alumni Inspired Students with Career Insights and Experiences

Amity Institute of Pharmacy, Lucknow, successfully hosted an *Alumni Interaction and Engagement Session* on 12 March 2025, organized by Dr. Richa Srivastava and Dr. Shruti Srivastava. The online session brought together over 45 alumni from the B.Pharm and M.Pharm, who shared their professional journeys and reflected on their academic experiences. The session commenced with a warm welcome by Ms. Shivanshi and Ms. Shivani, followed by a welcome address by Prof. (Dr.) Anuradha Mishra, Director-AIP. Alumni working across diverse sectors provided valuable guidance on career pathways, industrial exposure, and overcoming professional challenges, offering current students practical insights and mentorship. A special curated video further strengthened the alumni-student connection, making the session a memorable and inspiring experience for all participants.

Glimpses of the Online Alumni Interactive Session at Amity Institute of Pharmacy, Lucknow

Alumni Guided Students to Excel in Industry Readiness

On 31 January 2025, Amity Institute of Information Technology, Lucknow, hosted a guidance session titled "To Be Industry Ready" under the Alumni Engagement initiative. The interactive session featured distinguished alumni Mr. Shahzaade Alam, Systems Auditor at ONYX by JP Morgan, Bangalore, and Mr. Vishal Prakash, Senior Network Engineer at Granicus, Bangalore, both B.Sc (IT), Class of 2017. The session aimed to equip students with essential skills and insights to navigate internships and job placements successfully. Alumni shared practical strategies on resume and cover letter writing, interview preparation, networking, personal branding, and understanding employer expectations. Students actively engaged in discussions, gaining actionable advice and confidence to approach the competitive job market. The session reinforced the value of alumni mentorship in bridging academic learning with industry expectations, fostering students' preparedness for future professional opportunities.

Career Counselling Session on Pharmaceutical Research, Hosted by AIPL

Amity Institute of Pharmacy, Lucknow, organized an engaging online Guest Lecture on 17 March 2025. The session was conducted by Ms. Anubhuti Juyal, an esteemed alumnus of Amity, who shared valuable insights on "Career Opportunities in Research Field in Pharmacy." She highlighted the growing demand for professionals in drug discovery, clinical research, regulatory affairs, pharmacovigilance, and biotechnology. Drawing from her personal journey from academics to the industry, Ms. Juyal discussed the essential skills, qualifications, and certifications needed for successful research careers, inspiring students to explore diverse opportunities and chart their professional paths effectively.

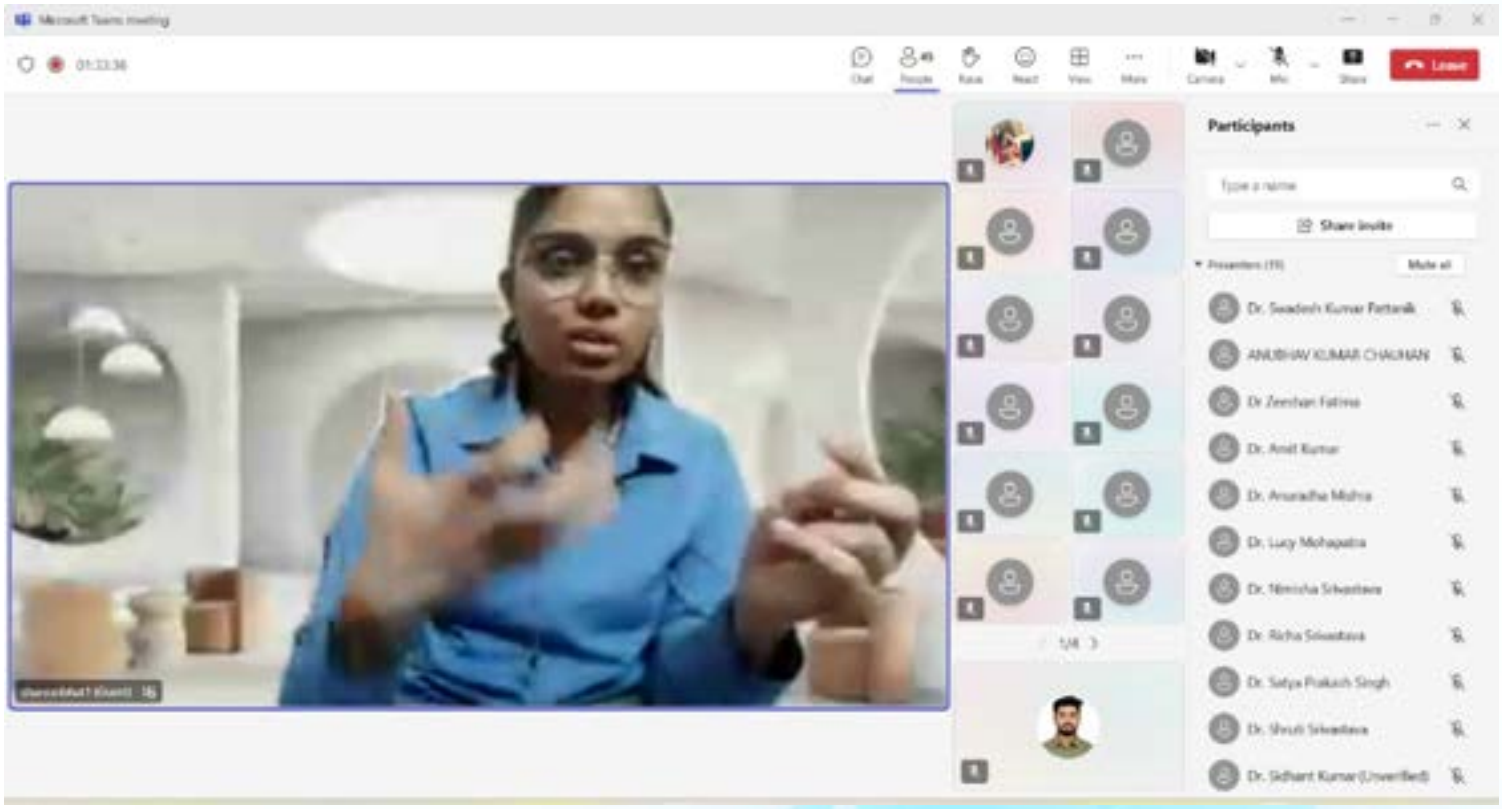

Alumna Anubhuti Joyal sharing various Career Prospects for the students of Pharmacy

Shakti Foundation Pre-Placement Session Informs Students about Careers on Climate Finance

On 21 January 2025, a pre-placement session was conducted via Microsoft Teams, where Ms. Lavisha Arora, Senior Program Manager at Shakti Sustainable Energy Foundation and an alumna of Amity School of Economics (MA in Economics, Class of 2015), briefed students about the organization and its work in promoting clean energy and sustainable development. The session provided insights into specific work profiles and skill sets relevant to climate finance, project management, and policy advocacy, giving students a clearer understanding of the field and actionable steps to prepare for their professional journeys. Ms. Arora's presentation highlighted the importance of interdisciplinary learning, networking, and continuous self-improvement in today's dynamic work environment.

Alumni Inspired Students on Diverse Pharmacy Career Paths

Amity Institute of Pharmacy, Lucknow Campus, hosted an insightful alumni interaction and guest lecture on 17 March 2025 for B.Pharm (6th & 8th Sem) and M.Pharm (2nd & 4th Sem) students. The session was conducted by Ms. Sharvari Bhatt, alumna of M.Pharm, Class of 2023, who shared her professional journey from campus life to the pharmaceutical industry. She highlighted diverse career opportunities across various fields in pharma sectors, research organizations, and academia, while encouraging students to explore innovation and think beyond academics. Students actively engaged with Ms. Bhatt, discussing aspirations in corporate and research domains. Organized by Dr. Swadesh Kumar Pattanik, the session provided practical guidance on career development, skill enhancement, and the value of balancing professional ambitions with memorable college experiences.

Online Career Counselling Session conducted by Alumna Sharvari Bhatt on Various Career Opportunities in the field of Pharmacy

Exploring Careers in Event Planning and Management

Amity School of Communication, Lucknow hosted an engaging guest lecture on 27 March 2025, focusing on "The Craft of Event Planning: Career Paths and Opportunities in the Event Industry." The session featured two accomplished alumni — Ms. Aiman Shah, Client Relations and Celebrity Manager, Milestone Events Management, and Ms. Harshita Khatri, Operations Manager, Milestone Events Management, both graduates of BJMC, Class of 2018. They shared valuable insights into the dynamic world of event planning, highlighting diverse career avenues, essential skills, and industry trends. Students were introduced to real-world case studies, internship possibilities, and collaborative project ideas, fostering practical learning and networking opportunities. The event left attendees inspired and better equipped to explore the evolving event management sector.

Prof. Johri with Aiman Shah and Harshita Khatri during the session

Career Guidance and Opportunities in Special Education

Amity Institute of Rehabilitation Sciences organised an engaging alumni interaction session on 3 January 2025 for its students focusing on "Career Guidance and Counselling – Avenues and Opportunities in Special Education." The session featured Ms. Nitasha Chawla and Ms. Ritika Gautam, alumni of the Integrated B.A & B.Ed. in Special Education Program, Class of 2023, both currently working as Special Educators at Excelsior American School, Gurugram. Aimed at building a strong bridge between current students and alumni, the event provided insights into industry requirements, career prospects, and professional competencies essential for aspiring special educators. The speakers reflected on their academic journeys at Amity, highlighting the role of internships, higher education opportunities, interview preparation, placements, and skill development in their professional growth. They also encouraged students to explore entrepreneurial ventures in the field and to continuously upgrade their skills to remain industry-ready in a dynamic workplace. The interactive Q&A session allowed students to clarify doubts, gain practical advice, and better understand the pathways to a successful career in special education.

Guiding Students Towards Career and Academic Excellence

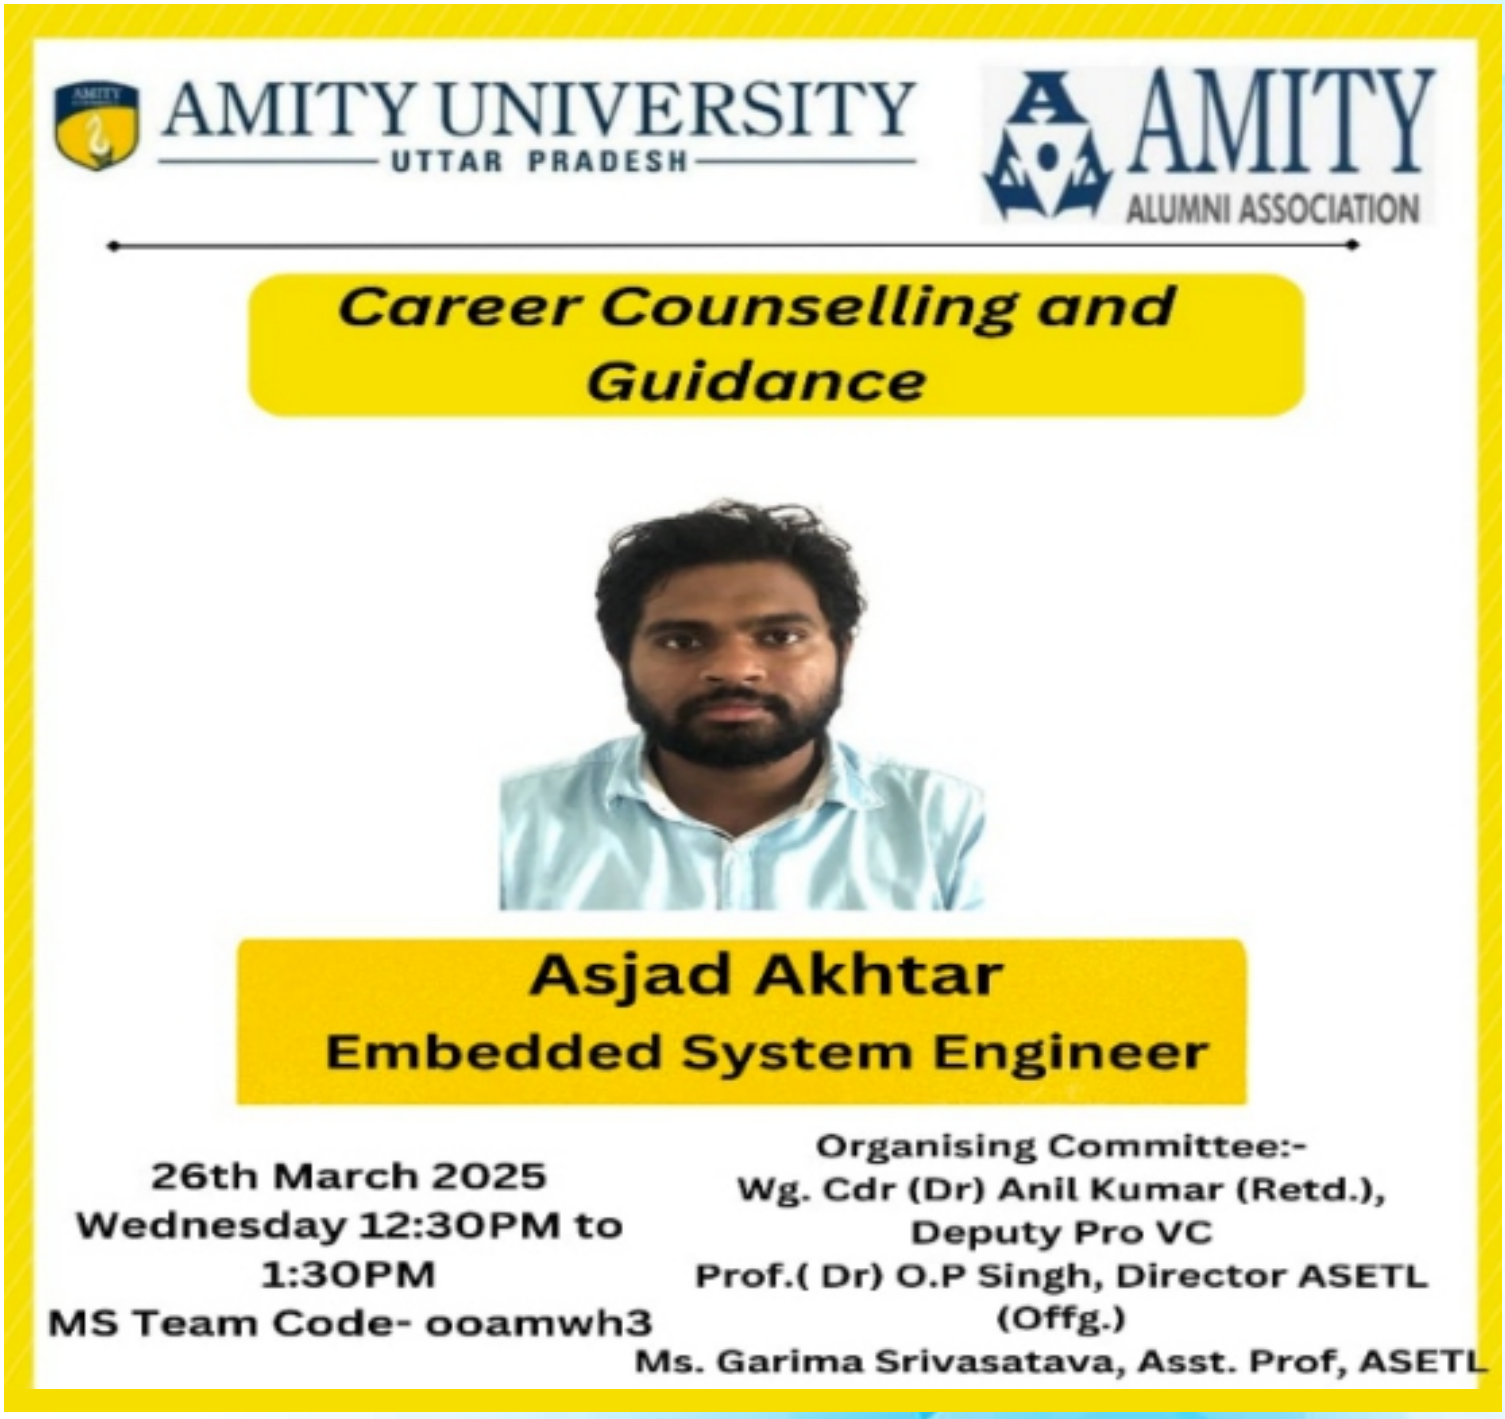

Vaibhav Sharma sharing his journey from Amity University to IIT Patna with the students of ASETL

ASET Lucknow, hosted an engaging *Career Counselling and Guidance* Session on 22 March 2025, as part of its Alumni Knowledge and Experience Sharing Series. The session featured distinguished alumnus Vaibhav Shikhar, B.Tech CSE, Class of 2023, currently pursuing M.Tech in AI at IIT Patna. Addressing students from various engineering programs, Vaibhav shared valuable insights on enhancing technical skills for placements, preparing for higher education entrance exams, writing impactful research papers, and exploring job opportunities across sectors. He also emphasised the importance of internships, communication skills, and professional networking through platforms like LinkedIn. The highly interactive session received positive feedback, inspiring students to pursue their academic and career goals with renewed focus.

Alumni Insights on Placement and Skill Development

Amity School of Engineering and Technology, Lucknow, hosted a *Career Counselling and Guidance* Session on 26 March 2025, featuring distinguished alumnus Asjad Akhtar, Embedded System Engineer at Kalam Labs, and a graduate from B.Tech CSE Program, Class of 2023. Mr. Asjad shared valuable strategies on preparing for placements, securing internships, and enhancing technical expertise in core subjects. He emphasized mastering communication skills, research writing, and leveraging platforms like LinkedIn for industry networking. Mr. Akhtar spoke from his experience in machine learning, data science, and wireless sensor networks and guided students on industry trends, emerging job sectors, and the importance of summer internship projects for final placements. The interactive session received highly positive feedback, leaving students motivated and eager for more such alumni-led engagements.

Alumni As Jury

Philip C. Jessup Moot Court Competition 2025 Successfully Hosted at ALS, Noida

The Moot Court Society of Amity Law School, Noida, successfully hosted the Indian Qualifying Rounds of the prestigious Philip C. Jessup Moot Court Competition from 12-15 February 2025. This year's competition saw over 50 teams participating, showcasing their legal acumen and advocacy skills in a simulated International Court of Justice (ICJ) case revolving around maritime rights, environmental concerns, state jurisdiction, and human rights. The event provided a platform for students to enrich their analytical and reasoning competencies, blending theoretical learning with articulation. Alumni Adv. Ramamditya Tiwary (BBA LLB (Hons.), Class of 2015), Advocate at Delhi High Court, and Adv. Gunjan Bansal (BBA. LLB (Hons.), Class of 2014), Advocate at Delhi High Court, participated in the event and continue to contribute to their alma mater and work towards its excellence. The competition's legacy and success are a testament to the vision of Dr. Ashok K. Chauhan, Founder President of Amity University.

Alumna Sara Usmani Served as Jury in Budget Par Charcha Debate Competition Hosted by ASE

Amity School of Economics organized an inter-university debate competition, "Budget Par Charcha," on 12 February 2025. The event, sponsored by UNSTOP and organized in collaboration with Drachma, the Finance Club and Prabandh, the Organizing and Management Committee, provided a platform for students to engage in critical discourse on India's Union Budget 2025. Esteemed alumna Ms. Sara Usmani, Executive Intern at Cognizant and a BA (Hons.) Business Economics graduate, (Class of 2024), served as the judge, offering valuable feedback and insights to participants. Students showcased their debating, public speaking, and analytical skills, discussing key economic sectors and current fiscal reforms. The event successfully linked theoretical concepts with real-world budgetary decisions, inspiring future thought leaders in policymaking and economic discourse.

Sara Usmani at the event "Budget pe Charcha"

Technovate 2025 Showcased Student Innovation and Entrepreneurship

Amity School of Engineering and Technology organized Technovate 2025, a dynamic platform for engineering students. The event, held on 21-22 May 2025, featured a wide array of student-led projects, prototypes, and posters showcasing emerging technologies and real-world applications. Ms. Aarzoo Malhotra, Fin. Quotient India Pvt. Ltd., and alumna of B.Tech CE Program, Class of 2015, participated in the event as a Jury and shared industry insights and expertise with students. Technovate 2025 aimed to identify commercially viable projects, promote industry engagement, and encourage peer learning and networking, ultimately bridging the gap between academic research and industrial application. The event successfully fostered a culture of innovation and entrepreneurship, highlighting Amity University's commitment to nurturing future-ready engineers and technocrats.

Glimpses from Technovate 2025.

Alumna Nisha Chaudhary Brings Industry Expertise as Jury to "The Innovator's Playbook" Competition

Amity School of Economics hosted "The Innovator's Playbook" competition on 30 January 2025, which challenged participants' analytical and problem-solving skills through a quiz round and a case study-based presentation round. Ms. Nisha Chaudhary, Human Resource Generalist at Winzoy Group and an alumna of the Amity School of Economics (B.A in Economics, Class of 2021, and MBE, Class of 2023), served as the judge, assessing teams' approach to problem-solving and originality. The event encouraged critical thinking, data analysis, and teamwork, providing participants with an engaging platform to refine their analytical skills and apply their learning in a practical setting. The competition fostered strategic decision-making, adaptability, and effective communication, with teams presenting innovative solutions to real-world problems.

Glimpses from the Event 'The Innovator's Playbook' and Alumna Nisha Chaudhary as a Jury

Alumni Engaged Students in Murder Mayhem Mystery Challenge as a Jury Hosted by ALSL

Amity Law School, Lucknow, hosted an interactive alumni-led event, "Murder Mayhem," on 5 March 2025, combining adventure, entertainment, and skill development for students. The session featured distinguished alumni Mudita Tripathi, Assistant Professor at the School of Legal Studies, BBDU, Lucknow (LLM, Class of 2017), and Dr. Trishla Singh, Assistant Professor, School of Legal Studies, BBDU, Lucknow (LLM, Class of 2017), who served as jury and mentors. The event engaged participants in a thrilling detective-style game, challenging their intelligence, observation, teamwork, and problem-solving skills as they deciphered clues, cracked codes, and solved a complex mystery. Through this immersive experience, students developed critical thinking, decision-making, and collaboration abilities while enjoying an adventurous and intellectually stimulating environment. Alumni guidance enriched the session, making it a memorable blend of learning and fun, while strengthening the bond between current students and Amity graduates.

Alumni Inspired Students at Amiphoria 2025 Cultural Fest

Amity Institute of Biotechnology, Lucknow hosted *A Symphony of Cultures* during Amiphoria 2025 on 6 March 2025, inviting distinguished alumni as jury members to foster institutional bonding and student motivation. Dr. Ruby Singh, Scientist at Biogenix Inc Pvt Ltd, Bangalore, and alumna of Ph.D. Biotechnology, Class of 2018, evaluated performances across music, dance, and drama, offering insights on artistic merit and cultural expression. She also shared her professional journey, inspiring students to embrace creativity, confidence, and excellence. The event concluded with a felicitation ceremony honouring Dr. Singh's contributions, reinforcing alumni engagement and celebrating their achievements while enriching the student experience.

ASE Engages Alumnus Naman Jaldhari as Jury in Logo Making Competition

The Cellium, the Entrepreneurship Club of Amity School of Economics, organized an online Logo Making Competition on 21 March 2025. The event provided a platform for students to showcase their design and branding skills, encouraging entrepreneurial thinking through visual storytelling. Mr. Naman Jaldhari, Management Head at Nandesh Sweets and an alumnus of B.A in Economics (Hons.), Class of 2024, served as the judge, offering valuable feedback and insights to participants. The competition concluded with announcement of three winners: Aditya Srivastava, Sheajan Singh, and Rupali Jain, whose outstanding designs impressed the judge with their originality, relevance, and visual appeal. The event successfully nurtured creativity, innovation, and entrepreneurial spirit among students.

Alumna Judges Student Portfolios at ASAPL Event

Amity School of Architecture and Planning, Lucknow Campus, engaged the Alumni as Jury in a competition on 27 May 2025. The session featured alumna Ar. Swapnil Gangwar, Founder and Architect at Swapn-Akriti Studios, (B.Arch. Class of 2013), who served as the external jury for the Graphical Drawing II (ID 129) evaluation of BID second-semester students from the 2024–28 batch. Students presented a diverse portfolio of semester work, including paintings, collages, murals, and sculptures and were assessed on originality, technical skill, creativity, and presentation. With her extensive experience in architectural and interior consultancy, Ar. Gangwar provided constructive feedback, encouraging innovation, craftsmanship, and effective visual storytelling, making the session both insightful and inspiring for budding designers.

Alumna Judges Student Portfolios at ASAPL Event

ALSL Alumni Participate as a Jury in Dodge the Ball Competition

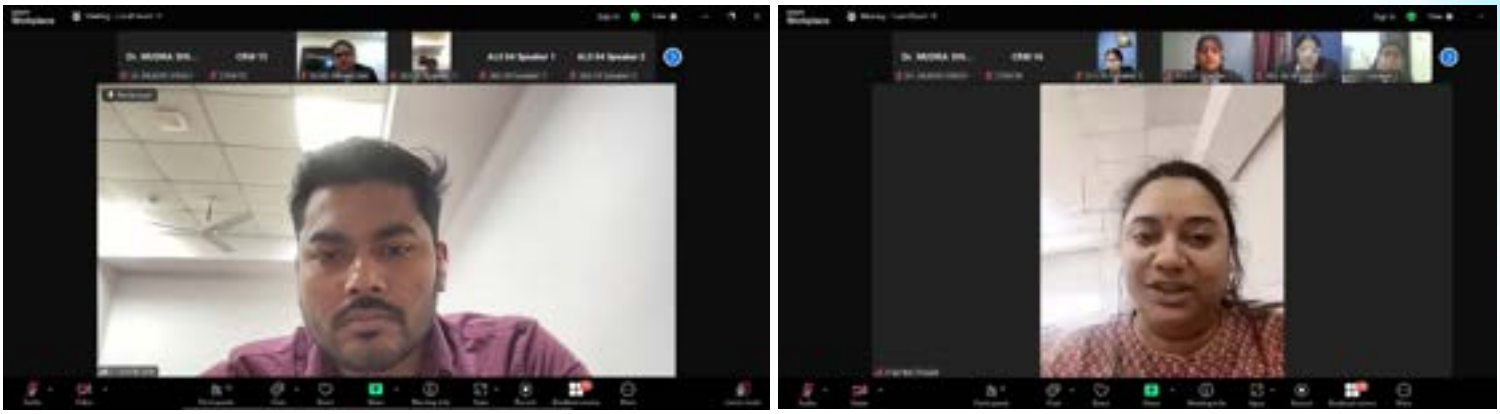

Amity Law School, Lucknow, organized a hybrid Alumni-engaged jury session for the "Dodge the Ball" competition on 6 March 2025. Esteemed alumni included Shubham Singh, Advocate at Allahabad High Court and Secretary of Pioneer Montessori Group of Schools and Colleges, Lucknow (B.A LLB (Hons.) Class of 2018, LLM, Class of 2019), and Radhika Kheria, Advocate at High Court, Lucknow Bench (BBA LLB (Hons.) Class of 2021, LLM, Class of 2022). The event emphasized quick thinking, confidence, and effective communication skills through extempore presentations on controversial and thought-provoking themes, highlighting the importance of critical reasoning and strategic articulation. Alumni provided feedback, shared perspectives, and encouraged students to organize their thoughts on the spot, enhancing their public speaking abilities, creativity, and decision-making. The session not only fostered skill development among participants but also strengthened the connection between students and alumni, offering mentorship and inspiration for academic and professional growth.

Alumni of ALSL Judged National Moot Court Competition and Inspired Students

Amity Law School, Lucknow, conducted the *XVI Amity Moot Court Competition 2025* in hybrid mode on 18 March 2025 with alumni serving as distinguished jury members. The session featured esteemed alumni including Ayush Tandon, Advocate at High Court of Judicature at Allahabad (B.Com LLB Hons. Class of 2018), Himanshu Priyadarshi, Assistant Professor of Law at BBD University (B.A LLB, Class of 2012), Kavya Singh, Advocate at High Court, Lucknow (LLM, Class of 2016), Devansh Vikram Singh, Advocate at High Court, Lucknow (B.A LLB, Class of 2018), Amaresh Patel, Assistant Professor of Law at Amity University, Patna (LLM, Class of 2021), Kumar Salva Raghuvanshi, Manager (Legal) at Oil India Limited, Noida (B.Com LLB, Class of 2016), and Khushbu Prasad, Assistant Professor cum Programme Leader at Amity Law School, Patna (B.Com LLB, Class of 2015). With 36 teams participating from across India, the alumni provided valuable feedback and guidance to the students. Their insights and experience not only motivated the participants but also strengthened the bond between alumni and current students, enhancing the professional preparedness and confidence of aspiring lawyers.

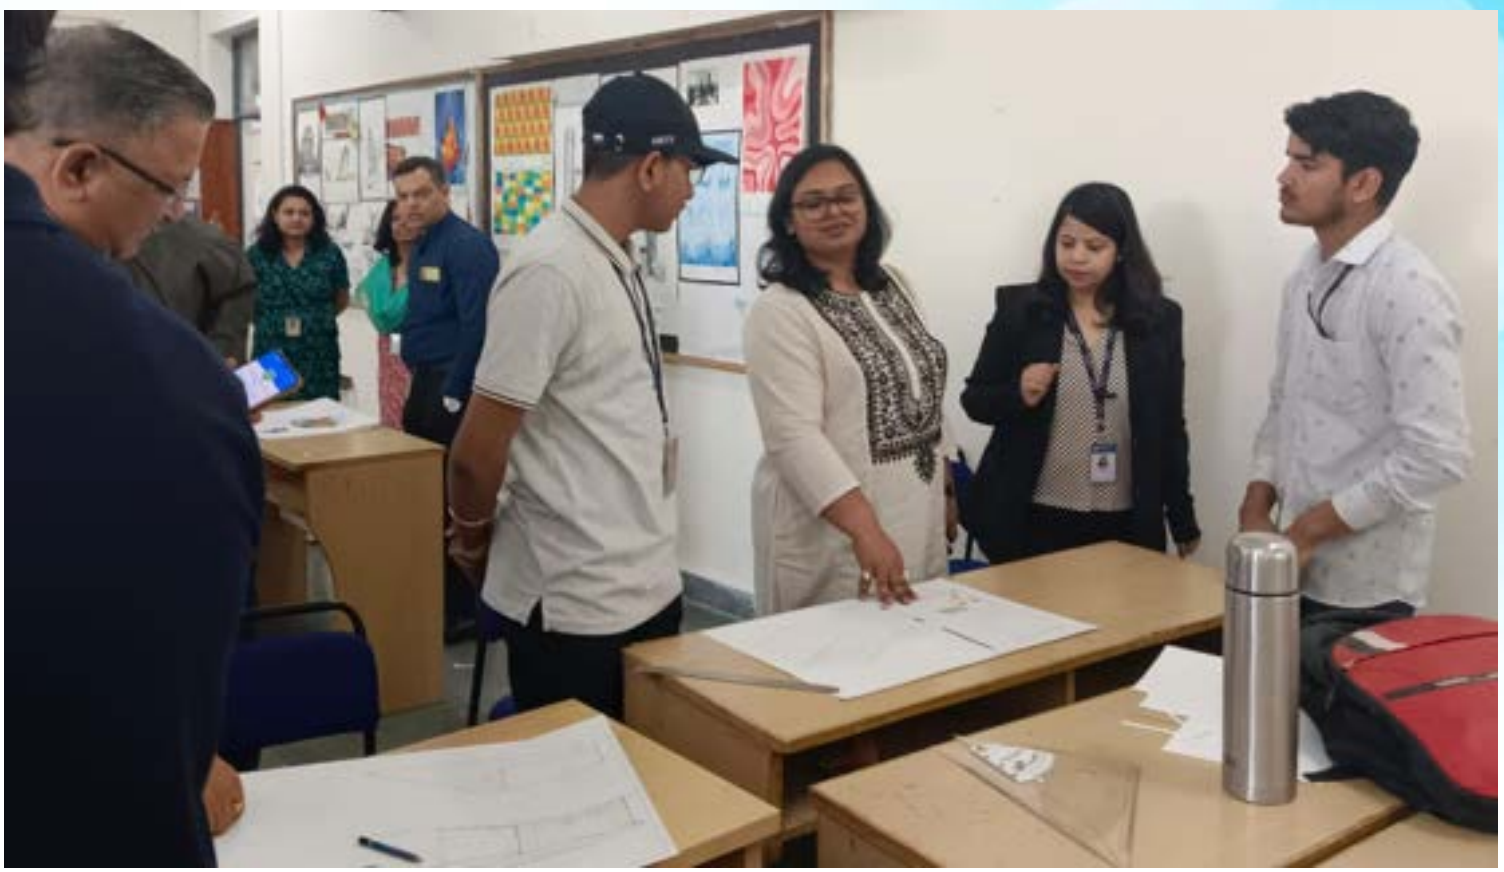

Alumni presenting their views during the Hybrid Session on XVI Amity Moot Court Competition 2025

Alumna Inspires as Jury at ASAPL Competition

On 7 March 2025, (Friday), Amity School of Architecture and Planning, Lucknow Campus, invited distinguished alumna Ar. Shubha Kant Khattri, Founder and Principal Architect of Sanrachna Studio, operating in Lucknow and Aligarh as a Jury member to judge the Competition at the campus.

A graduate from Amity in the Program B.Arch., Class of 2013 and M.Arch. from Government College of Architecture, AKTU Lucknow, Ar. Khattri brought her professional expertise and design philosophy to the judging process. The event provided a platform for students to present their creative and technical work, while receiving constructive feedback from an accomplished practitioner known for her sensitive and holistic approach to architecture, planning, and interiors, making the interaction both enriching and motivating for the budding architects.

Ar. Khatri Interacting with the students

Pushkar Jaiswal from ASASL Joined as Judge for Eco Club Event

Amity School of Applied Sciences, Lucknow, hosted its ECO Club event on 7 March 2025, featuring distinguished alumnus Mr. Pushkar Jaiswal, a graduate from B.Sc. (Hons.) in Chemistry, Class of 2020 as a special guest and judge. Currently serving as a Chemistry Faculty at Aakash Coaching Institute for JEE/NEET and previously selected by FITJEE (Patna), Mr. Jaiswal brought both academic expertise and industry insight to the occasion. He actively interacted with students, evaluated the creative entries in the "Eco-reel" competition, and presented prizes to the winners. His presence added value to the event, inspiring participants to combine innovation with environmental consciousness. Students appreciated the opportunity to engage with an alumnus who has successfully translated his academic foundation from Amity into a thriving teaching career.

Amiphoria 2025 Art Extravaganza Hosted by ASFAL

Amity School of Fine Arts, Lucknow, successfully organized three creative events as part of Amiphoria 2025 on 6 March 2025. The events, held at the university campus, included the Digital 2D/3D Art Competition: "Design the Future, Digitally," "Graffiti Vibes: Where Walls Come Alive," and "Floor Art Fiesta: Transforming Floors into Artistic Wonders." Alumni judges played a crucial role in these competitions. Saumya Julius, Partner at The Curio Digital Marketing Agency, and an alumnus of Amity School of Fine Arts (Applied Arts, Class of 2018), served as a judge for the Digital Art Competition. For the Graffiti Art Competition, Priyanshi Rastogi, Assistant Professor at Amity School of Architecture and Planning (Applied Arts, Class of 2012), and Varnik Bansal, Art Teacher at St. Francis World School, Meerut (Painting, Class of 2022), contributed as alumni judges. These events showcased students artistic talent, fostered creativity, teamwork, and skill development, and aimed to promote artistic innovation and collaboration across various art forms.

Felicitation of the Alumnus.

Alumni Judged Amiphoria 2025 in Hospitality Hosted by ASHL

Amity University's Annual Fest, Amiphoria 2025, held on March 6, 2025, at the Lucknow Campus, featured significant alumni engagement. Mr. Saurabh Lamba, an alumnus of the Bachelor of Hotel Management (BHM 2016-2020 batch), currently an entrepreneur with The Light House in Lucknow, served as a jury member for the "Dream Room Challenge Competition." His participation aimed to inspire prospective students by sharing authentic insights and firsthand experiences from his successful career in the booming hospitality industry. The event successfully strengthened university-alumni connections, demonstrating the lasting value of a university education and fostering a sense of community between past and future generations of students.

Alumni Engagement Enriched Farewell 2025 of ASHL

Amity University Lucknow's Amity Alumni Association successfully invited the alumni to be the Judge during the Farewell Party 2025 on 7 April 2025. The event aimed to honour graduating Bachelor of Hotel Management (BHM) students, strengthened connections between alumni, students, and faculty, and inspired future professionals. A highlight was the participation of Ms. Ufaq Khan, an alumna from the BHM Program, Class of 2022, currently serving as a Process Associate Production at HCL, Lucknow. Her engagement as a jury member provided invaluable insights and motivation, fostering a strong sense of community and demonstrating the lasting value of the university experience for current students.

Ufaq Khan being felicitated after judging the competition at Farewell 2025

Program Specific Value-added Sessions

AIB Hosted Alumni Session on Sustainability and Entrepreneurship with Suprio Ranjan Paul and Shweta Dalmia

Amity Institute of Biotechnology organised an Alumni Success Stories session as part of the International Symposium & Workshop on "Advancing Sustainability Through the Circular Economy: Turning Waste to Wealth" on 7 January 2025. The event featured Mr. Suprio Ranjan Paul (B.Sc. Medical Biotechnology, Class of 2018), Founder & CEO of Climapreneur and Bharat Climate Startups, New Delhi. Mr. Paul shared his journey from Assam to becoming a climate-focused entrepreneur, highlighting his academic experiences at Birkbeck, University of London, and the University of Sheffield. Drawing on his diverse professional background, he emphasised resilience, adaptability, and the importance of seizing opportunities, inspiring students to explore innovative pathways in sustainability, media, and biotechnology-driven entrepreneurship.

Supriyo Ranjan Paul delivering an insightful session at I-2 Moot Court.

AIIT Hosted ServiceNow Workshop with Alumnus Dr. Kumar Gaurav

Amity Institute of Information Technology (AIIT) conducted an Offline Workshop on "ServiceNow" on 7 February 2025. This insightful session featured distinguished alumnus Dr. Kumar Gaurav, a graduate from MCA, Class of 2006, currently a Data Science Manager at Optum Global Solutions in Noida. Dr. Gaurav provided final year students with a hands-on exercise and invaluable guidance on career aspects, industry expectations, and effective strategies for thriving in the corporate world, thoroughly preparing them for future placements and professional endeavours.

Workshop Equipped Students with Clinical Trial Expertise

Amity Institute of Pharmacy organised a Skill Development Workshop on "Understanding and Navigating the Current Status of Clinical Trials in India" on 7 May 2025 under the theme, Value Addition/Skill Development Workshop by Alumni initiative. The session was led by Mr. Kashish Garg, an alumnus of B.Pharm, Class of 2022, who shared in-depth insights into India's evolving clinical research landscape. Covering regulatory updates from CDSCO, ethical considerations, trial phases, and the integration of digital technologies such as e-consent and remote monitoring, Mr. Garg provided participants with both theoretical clarity and practical exposure to documentation, compliance, and monitoring tools. The workshop fostered active interaction through case discussions and a Q&A, enabling students to connect academic knowledge with real-world applications in clinical trials. The event concluded with enthusiastic feedback, reflecting its success in enhancing students' industry readiness and inspiring them to explore career opportunities in clinical research.

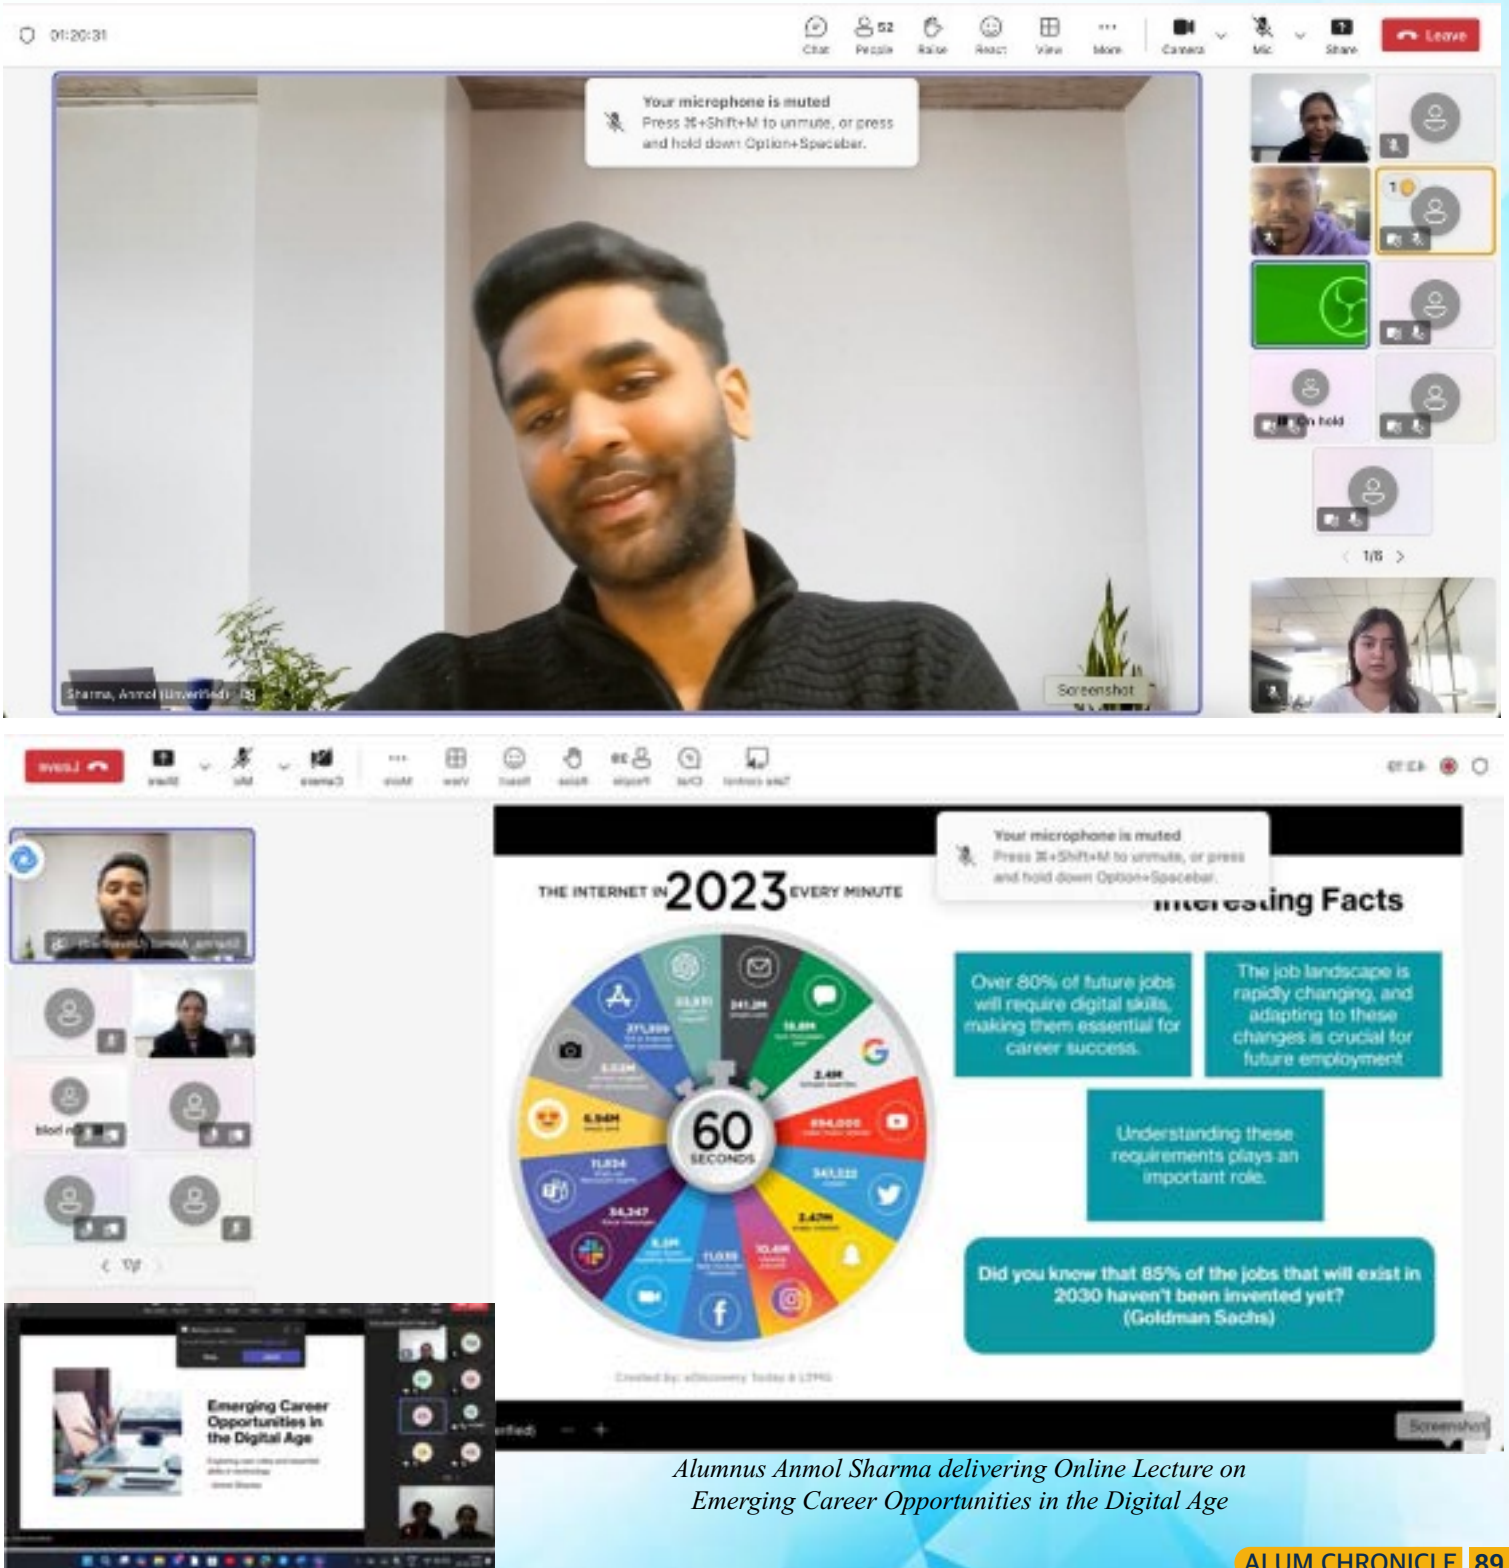

AIIT Explored Digital Career Opportunities with Alumnus Anmol Sharma

Amity Institute of Information Technology hosted an insightful online session, "Emerging Career Opportunities in the Digital Age," on 3 February 2025. The event featured esteemed alumnus Mr. Anmol Sharma, a graduate from BCA, Class of 2020, currently serving as a Business Technology Analyst and Business Functional Analyst at Deloitte USI Consulting Pvt. Ltd. Mr. Sharma provided valuable guidance to students on navigating the evolving job market, emphasizing the shift towards the digital era, the emergence of new job roles, and the crucial need for upskilling in areas like data science, analytics, and sustainability to remain competitive.

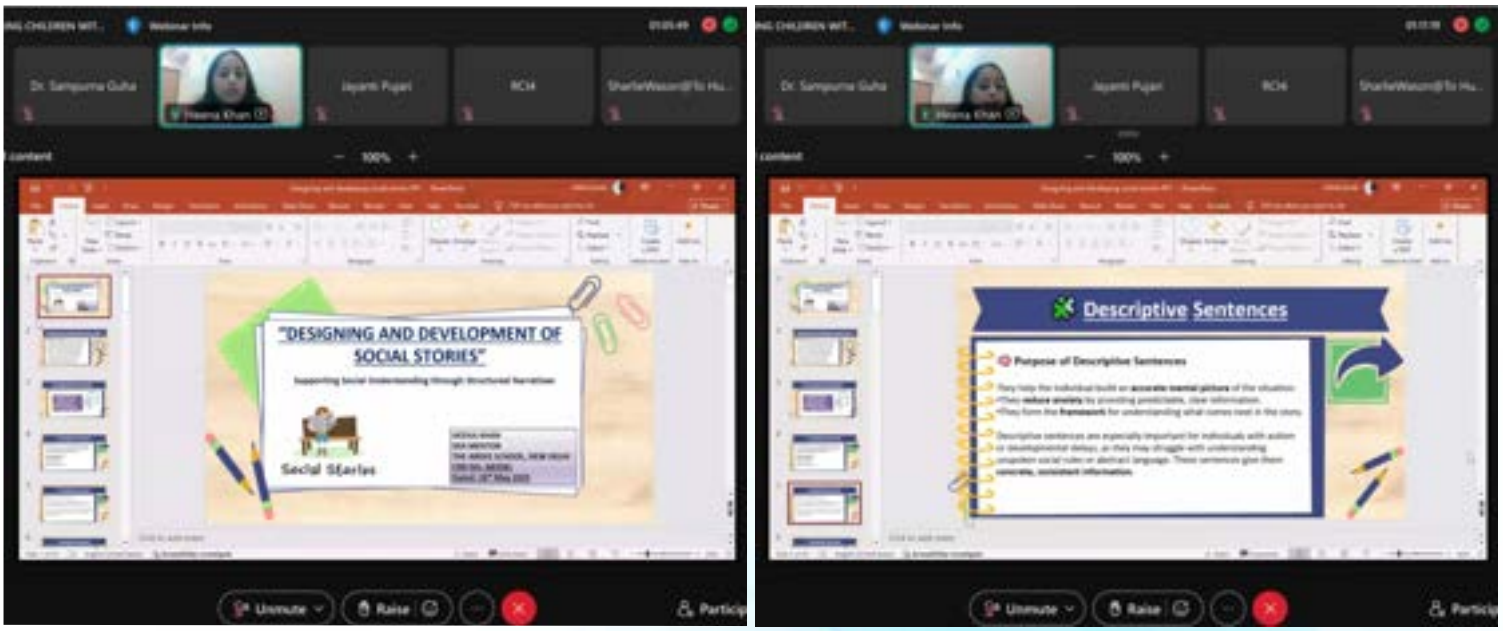

Alumnus Anmol Sharma delivering Online Lecture on Emerging Career Opportunities in the Digital Age

Alumni Session Offered Practical Insights into Hospital Administration

Amity Institute of Public Health & Hospital Administration organised an engaging alumni guest session on 3 February 2025, featuring Mr. Himanshu Yadav, Senior Administrator at Yatharth Superspeciality Hospital, Greater Noida, and alumnus of the MHA, Class of 2022. Speaking on "Navigating the Hospital Administration Landscape: Practical Insights from Industry", Mr. Yadav shared first-hand experiences on managing hospital operations, patient services, manpower coordination, and accreditation documentation, while highlighting the importance of time management, leadership skills, and adapting to emerging healthcare technologies. The interactive session allowed BBA (HM) and MHA students to engage in discussions on internship preparation, career challenges, and industry expectations, making it a valuable platform for alumni-student learning and inspiration.

AIRS Alumna Empowered Educators with Social Story Design Skills

Amity Institute of Rehabilitation Sciences (AIRS) hosted a National Level CRE seminar on Development and Designing of Social Stories for Children with Autism Spectrum Disorder (CWASD) in collaboration with the Rehabilitation Council of India on 26 May 2025. The event aimed to deepen understanding of social stories as evidence-based interventions, equip special educators with practical design skills, and promote their integration into classroom settings to enhance adaptive behaviours and social-emotional development in children with autism. Among the key speakers was AIRS alumna Ms. Heena Khan, Special Educator at The Ardee School, New Friends Colony, New Delhi, and a graduate of the B.Ed Special Education (ASD), Class of 2022. Ms. Khan shared her expertise in creating tailored social stories to support communication, reduce anxiety, and foster independence among CWASD, inspiring participants to adopt innovative approaches in their professional practice.

Presentation on Children with Autism Spectrum Disorder by Heena Khan

AIB, Lucknow Hosted Insightful NGS Session with Alumni Dr. Suyash Agarwal

On 15 January 2025, the Amity Institute of Biotechnology, Lucknow Campus organized a Programme Specific Value Addition Session titled "NGS Technology and Its Applications," featuring Dr. Suyash Agarwal, Head of Genomics Division at Redcliffe Genetics, Noida, and a Ph.D. alumnus of Bioinformatics from the university. During the session, Dr. Agarwal introduced students of B. Tech. and M. Tech. programs to Next-Generation Sequencing (NGS) technology, its advantages, and various analysis pipelines, fostering a scientific mindset and encouraging research pursuits among the attendees. With a strong background in biotechnology and bioinformatics, Dr. Agarwal's insights provided valuable industry perspectives to the students, who gained a solid understanding of NGS basics and its significance in modern genomics studies. The event concluded with a vote of thanks from Dr. Ruchi Yadav.

Students Showcased Innovative Ideas at Technovation Event

Welcome of Alumni, Pradeep Kumar Tiwari by Director-AIIT, Brig Umesh K. Chopra

Amity Institute of Information Technology, Lucknow, organized an inter-institute alumni-driven event, Technovation, on 6 March 2025, under the AIIT Alumni Club, AUUP, Lucknow. The event provided a dynamic platform for students to present their innovative technical ideas through projects, working models, and conceptual frameworks. Brig. Umesh K. Chopra, Director of AIIT, along with Mr. Pradeep Kumar Tiwari, (MCA, Class of 2012), served as key speakers and mentors, guiding students on practical implementation and professional applications. Approximately 100 students from various departments attended the event, gaining hands-on insights into innovation, project presentation, teamwork, and organizational skills. The collaboration with SIGMA IT Software Designers Pvt. Ltd. added an industry perspective, enhancing students' preparedness for internships and future placements. The event successfully nurtured creativity, technical competence, and confidence among participants while fostering stronger alumni-student engagement.

Alumni Led Workshop Boosts Architectural Software Skills

Amity School of Architecture and Planning, Lucknow, conducted a Programme Specific Value Addition Session on Wednesday, 19 March 2025. The workshop, designed to address student requests for alumni-led software training, focused on enhancing skills in REVIT and AutoCAD, covering three core segments—Modelling, Material, and Render. The session was facilitated by alumnus Ar. Karan Saxena, Sr. Architect at Kumar and Associates, alumnus of B.Arch., (Class of 2023). Students of B.Arch., second semester benefitted from hands-on guidance, learning industry-relevant techniques that strengthened their design proficiency and professional readiness. The initiative reinforced the institute's commitment to leveraging alumni expertise for skill enhancement and career development.

Alumni Empower Hospitality Students

Amity School of Hospitality Lucknow hosted a Program Specific Value Addition Session on 10 April 2025. This event was designed to offer career counselling and guidance to undergraduate students of the Amity School of Hospitality Lucknow, specifically BHM and BBA (TM) students, through the valuable insights of two distinguished alumni. Mr. Ankit Kumar, an Assistant HR Manager at Aditya Birla Grasim, Bangalore (BHM, Class of 2022), and Mr. Digvijay Singh Yadav, an MBA Student at University Canada West, Vancouver (BHM, Class of 2022), shared their professional experiences and academic journeys. Their participation aimed to inspire current students, helping them envision their potential career paths and reinforcing the strong, supportive connection between the university and its alumni community.

Ankit Kumar and Digvijay Singh Yadav with the esteemed Faculty members of ASHL

Glimpses from Ankit Kumar and Digvijay Singh Yadav's interaction at Amity School of Hospitality, Lucknow

AIPH&HA Explores Impact of Young Leaders in Hospital Operations

Amity Institute of Public Health & Hospital Administration hosted an engaging alumni guest lecture under its Alumni Interaction Series on 9 January 2025. The session, titled "Role of Young Healthcare Administrators in Enhancing Hospital Operations," was led by Dr. Vijeyta Das, alumna of the MHA, Class of 2022, who is currently serving as AMS at Sarvodaya Healthcare, Greater Noida. Drawing from her professional experience, Dr. Das highlighted the significant contributions that young administrators can make in areas such as process optimisation, patient flow management, data-driven decision-making, and effective communication with stakeholders. She shared practical strategies for overcoming operational challenges, fostering teamwork, and aligning daily hospital activities with long-term strategic goals. An interactive Q&A enabled students to seek guidance on internships, certifications, and career planning, reinforcing the value of alumni mentorship in bridging academic knowledge with real-world healthcare practices.

Dr. Vijeyta Das discusses the impact of Young Leaders' participation in Hospital operations

Alumni Lecture Highlighted Web Development Trends in Tashkent Campus

The Amity Alumni Center hosted an engaging Alumni Lecture Series at Amity University Tashkent, featuring Mr. Sardor Abdurakhimov, Senior Software Engineer at EPAM Systems and proud alumnus of AUT, alongside Ms. Shakhrizoda from Huawei. Held as part of ongoing industry-academia collaboration, the session focused on "Latest Industry Trends in Web Development," with in-depth discussions on modern frameworks and tools, particularly React and Node.js. Students and faculty gained valuable insights into real-world applications, best practices, and evolving industry expectations, helping bridge the gap between academic learning and professional demands. The event also reinforced alumni-university bonds, inspiring participants to enhance their technical expertise and career readiness for roles in the fast-evolving tech sector.

Alumni Insights on Edge AI at Amity Tashkent

The Amity Innovation, Design and Research Center, Amity University in Tashkent, hosted an engaging session under its Alumni Interaction Series, featuring Mr. Tarun Sharma, a distinguished alumnus from ASET, Class of 2021. Currently working as an AI & Software Engineer at GlobalLogic (A Hitachi Group Company), Ireland, Mr. Sharma delivered an insightful talk on "Edge AI: Running LLM on Your Device." The session introduced participants to the challenges, optimization techniques, and real-world applications of deploying large language models (LLMs) on edge devices, along with discussions on tools, frameworks, and policy implications. Through practical insights and industry perspectives, the event successfully bridged academic learning with cutting-edge technology trends, enhancing students' technical knowledge and career readiness.

Achievements

Alumna Published Research in Prestigious International Journal

Amity Institute of Virology and Immunology proudly celebrates the achievement of its alumna, Ms. Nikita G. Patil, who has made a significant mark in the field of scientific research. A graduate from B.Sc. Virology, Class of 2023, Ms. Patil is currently serving as a Junior Research Fellow at the Gujarat Biotechnology Research Centre, Gandhinagar. Her dissertation paper has been published in the high-impact journal Nucleic Acids Research with an Impact Factor 16 in 2024. This accomplishment highlights her dedication to advancing virology research and serves as an inspiration for current students pursuing academic and scientific excellence.

Alumna Empowers Fashion Industry with Entrepreneurial Venture

Ms. Layba Noor, Founder of Layba Noor & Co., Ghaziabad, a distinguished alumna of Amity School of Fashion Technology, B.Des (Fashion Design), Class of 2019, has made a notable mark in the fashion industry with over 10 years of experience. Her company specializes in providing comprehensive solutions to streamline operations and enhance customer engagement for fashion and lifestyle brands. With a client-centric approach, Layba Noor & Co. builds strong customer relations, offering services including lead management, customer engagement, and Shopify integration.

Alumni Spearheads Launch of USA-Based Home Textile Brand in India

Ms. Pragya Vishnoi, Online Merchandiser at Lachmi's International Ltd., Hong Kong, and an alumna of Amity School of Fashion Technology, B.Des (Fashion Technology), Class of 2020, is currently working with a premium USA-based home textile brand, leading its launch in the Indian online market. Her responsibilities include conducting extensive market research, comparing the home textile and pet product landscapes in India and the USA.

Biotechnology Alumna Lead Global Marketing Innovation

Amity Institute of Biotechnology, Lucknow Campus, proudly highlights the accomplishments of Ms. Shiksha Tripathi, B.Tech Biotechnology, Class of 2010, who exemplifies innovation and leadership on the global stage. Beginning her career through campus placement at Accenture, Shiksha gained a solid corporate foundation before venturing into entrepreneurship. She founded SocialInsight, a startup focused on white-label lead generation for publishers in the tech marketing sector, and later established Think ABM, where she currently serves as Founder and CEO. Under her visionary leadership, Think ABM has expanded its operations across India, the US, the UK, and the UAE, earning international acclaim for its cutting-edge marketing solutions. Featured by CEO Weekly and Tech Times as a pioneering leader, Shiksha continues to integrate technology and strategic innovation with purpose. She credits her formative learning at Amity, especially lessons from Behavioral Sciences for shaping her leadership approach and team-building philosophy in the global corporate arena.

Applied Chemistry Alumnus Won Global Early Career Researcher Prize

Amity School of Applied Sciences, Lucknow, proudly congratulates Dr. Nitin Srivastava, Ph.D. in Applied Chemistry, Class of 2020, on receiving the prestigious Martin D. Rudd Early Career Researcher Prize 2025. Currently serving as an Assistant Professor–III in the Department of Chemistry at AUUP Lucknow, Dr. Srivastava was recognized for his outstanding research paper published in the Taylor & Francis Journal "Phosphorus, Sulfur, Silicon and Related Elements," which was adjudged the best paper of 2024. The $1,000 annual award honors emerging scientists demonstrating excellence in redox and catalysis research. As part of the recognition, Dr. Srivastava was invited to present his work at the Workshop of the Selenium and Sulfur Redox and Catalysis Network (WSeS) held on 25 August 2025. His achievement stands as a testament to Amity's commitment to fostering world-class research and innovation among its scholars.

Biotechnology Alumna Advances Research in Antifungal Immunity

Amity Institute of Biotechnology, Lucknow Campus, proudly celebrates the academic journey of Ms. Mira Koul, B.Tech Biotechnology, Class of 2019, whose dedication to scientific research continues to inspire. After completing her undergraduate studies at Amity, she pursued an M.Tech in Biotechnology at IIT Mandi (2019–2021), followed by a tenure as a Junior Research Fellow at IIT Roorkee, where she contributed to impactful projects in translational bioinformatics and medicoinformatics. In May 2025, Mira embarked on her Ph.D. at Radboud University Medical Centre, Nijmegen, The Netherlands, focusing on multi-omics approaches to explore antifungal immunity. She credits Amity's rigorous academic and research-oriented environment for nurturing her curiosity and building the foundation of her scientific career, a testament to the institute's commitment to producing globally competent researchers.

Education Alumna Earns Prestigious Teaching Recognition in the UK

Amity Institute of Education, Lucknow, proudly recognizes the accomplishments of Ms. Jaya Mukherjee, B.Ed, Class of 2013, who has made remarkable strides in the field of education at an international level. In January 2025, she was awarded the Qualified Teacher Status (QTS) by the Department for Education, United Kingdom, a distinguished certification that qualifies her to teach in government-aided primary schools across England. Further enhancing her academic credentials, Ms. Mukherjee successfully completed the Postgraduate Certificate in Education (PGCE) from Sheffield Hallam University, UK, a renowned program that reflects her dedication to excellence in teaching and educational leadership. Her achievements exemplify Amity's mission to nurture globally competent educators committed to advancing learning worldwide.

Fine Arts Alumna Excels in Research and Creative Leadership

Amity School of Fine Arts, Lucknow, proudly celebrates the achievements of Ms. Geetika Shukla, BFA, Class of 2014, a distinguished academic and design professional making significant contributions to the field of Fine Arts. A recipient of the UGC-NET qualification in 2021 and Junior Research Fellowship (JRF) in 2022, she is currently pursuing her Ph.D. at the College of Arts and Crafts, Faculty of Fine Arts, University of Lucknow. In March 2025, Geetika played a key role in organizing an International Conference at the College of Arts and Crafts and designed "Kala Samvad," a prestigious compilation book showcasing institutional events, inaugurated by Padma Shri awardee Shri Adwaita Gadanayak. Recently appointed as a Visiting Faculty at Amity University, she continues to inspire students through her creative vision and scholarly engagement. Her journey exemplifies academic excellence, artistic innovation, and a steadfast commitment to advancing the field of art and design.

Chemistry Alumna Shines in Research and International Recognition

Amity School of Applied Sciences, Lucknow Campus, proudly acknowledges the achievements of Ms. Nikita Yadav, B.Sc. (Hons.) Chemistry, Class of 2024, whose outstanding research in systems chemistry has earned her national and international acclaim. She was awarded the prestigious IASc–INSA–NASI Summer Research Fellowship 2025 at IISER Kolkata, where she worked in the Systems Chemistry Lab on Light-Induced Non-Equilibrium Compartmentalization, exploring the design of photoresponsive coacervate-based protocell models to study dynamic self-assembly under light stimuli. Continuing her research excellence, Ms. Yadav secured the First Position in Oral Presentation at the International Conference on Green Technologies, Environment and Drug Discovery (ICGTEDD-2025), held at Akal University, Punjab, for her presentation on the same topic. Her achievements reflect Amity's commitment to nurturing scientific inquiry and fostering young researchers who contribute meaningfully to advancing chemical sciences.

Alumni Speak

Dr. Karan Gulati
B.Tech & M.Tech
Class of 2012
Amity Institute of
Nanotechnology, Noida

Leader: Group for Anodized Therapies (GATORs), Deputy Director, Centre for Orofacial Regeneration, Reconstruction & Rehabilitation (COR3), School of Dentistry, The University of Queensland

Studying Nanotechnology (BTech + MTech) at Amity Institute of Nanotechnology (AINT) was the turning point in my professional journey that ignited my passion for scientific discovery and laid the foundation for an established research career. The program combined cutting-edge knowledge in nanotechnology with hands-on training, giving me the skills and confidence to explore bold ideas. What made the experience truly transformative was the dedication of the faculty.

They went beyond delivering lectures; they mentored, inspired, and challenged me to think critically. Through their guidance, I was able to participate in high-impact research projects and undertake valuable internships. These experiences directly shaped my professional trajectory, paving the way for my current role as a Research Group Leader and the Deputy Director at the Centre for Orofacial Regeneration, Reconstruction & Rehabilitation (COR3), School of Dentistry, The University of Queensland. I remain deeply grateful to the AINT and its outstanding faculty for the mentorship, opportunities, and unwavering belief in my potential that have defined my career.

Mr. Vimarsh Sharma
M.Sc. in Wildlife Science
Class of 2017
Amity Institute of Forestry
and Wildlife, Noida

One Health and Agroecology Project, Forestry & Biodiversity Advisor, GIZ, India

Pursuing my M.Sc. in Wildlife Science at Amity University (Class of 2017) was a defining phase in shaping my professional journey. The program's interdisciplinary structure, which blended core wildlife sciences with compulsory courses in business communication, behavioural sciences, and foreign languages, gave me a unique edge in navigating the real-world demands.

Despite being part of a relatively small department with limited resources, I was always encouraged to think independently, design my own research, and even secure international individual funding—something that significantly contributed to my growth as a researcher and practitioner. Today, working as a Forestry and Biodiversity Advisor at GIZ India, I continue to draw from the foundation built during my time at Amity. The supportive faculty, exposure to current Indian and global challenges, and emphasis on innovation laid the groundwork for the meaningful work I am privileged to be a part of.

Mr. Kshitij Sharma
B.Com (Hons.)
Class of 2017
Amity College of Commerce and Finance, Noida

Senior Associate- III DAT at PwC

My journey at Amity College of Commerce and Finance, Amity University Noida has been nothing short of extraordinary—a transformative chapter where I discovered my true potential as a leader and professional. Amity was not just the place I earned my degree; it was where I found my voice and carved my path forward.

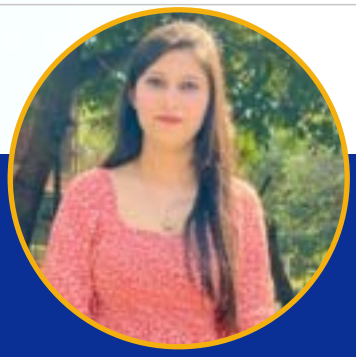

Entrusted with the prestigious roles of Sports Captain and Cultural Coordinator, I led diverse teams, orchestrated major campus events, and honed vital skills like communication, strategic planning, and decision-making under pressure. These opportunities fuelled my confidence and sharpened my ability to inspire and represent my peers with pride and dedication. Organizing and leading academic seminars further elevated my corporate readiness and deepened my understanding of real-world business dynamics. Securing a placement with a Big 4 firm after graduation stands as a proud testament to the exceptional support and solid foundation Amity provided. I am honoured to be an alumnus of an institution that truly prepares its students to excel and lead in a competitive world.

Mr. Abhijay Choudhary
B.Sc. (Hons.) Anthropology
Class of 2015
Amity Institute of Anthropology, Noida

Research Scholar- IIIT, Delhi

My academic journey in Anthropology began at the Dept. of Anthropology, Amity University Noida, where I pursued my B.Sc. (Hons.) in Anthropology. It was here that I discovered and cultivated my deep interest in the socio-cultural and political dimensions of sport, ultimately laying the foundation for my specialization in Sports Anthropology and Sociology.The interdisciplinary and intellectually stimulating environment at Amity played a pivotal role in shaping my academic focus. The faculty members encouraged critical thinking, field engagement, and the application of anthropological theory to contemporary issues—values that continue to guide my work as a research scholar at IIIT Delhi. My research today explores themes such as anti-doping, human performance enhancement technologies, performance-enhancing drugs (PEDs), body projects, and sports policy, all of which were inspired and informed by the foundational training I received at Amity.As an educator and researcher, I remain committed to fostering intellectual curiosity and bridging theory with real-world issues. My current work critically examines how doping practices and enhancement technologies reflect broader societal values, institutional frameworks, and shifting ethical boundaries. These perspectives were nurtured during my time at Amity, where the holistic curriculum and supportive academic ecosystem provided a strong grounding in both classical and contemporary anthropological thought.Beyond academics, the Institute fostered a culture of collaboration, allowing me to engage with peers, researchers, athletes, and policymakers in advancing interdisciplinary and evidence-based approaches in the field of sports anthropology and anti-doping research.I am deeply grateful to the Amity Institute of Anthropology for equipping me with the analytical tools, ethical insight, and academic rigor required for a meaningful and impactful career. I highly recommend this program to aspiring anthropologists who are looking to explore unique intersections of culture, science, and society.

Ms. Neha Chauhan
B.Sc. (Hons.), Class of 2015
M.Sc. Anthropology,Class of 2017
Amity Institute of Anthropology, Noida

Research Scholar- IIIT, Delhi

As an experienced professional working in the social development sector for over six years, I credit much of my academic foundation and professional growth to my time at the Dept. of Anthropology, AISS, Amity University Noida. Pursuing both my B.Sc. and M.Sc. degrees in Anthropology, with a specialization in Social Anthropology Practice, provided me with the analytical, cultural, and interpersonal tools that continue to shape my work every day. The curriculum was thoughtfully designed to blend theoretical knowledge with practical application, which was instrumental in building my expertise in program planning and implementation, monitoring and evaluation, impact assessment, and resource mobilization. The exposure I received during fieldwork, research projects, and hands-on training at Amity greatly enhanced my understanding of diverse communities and development issues. Amity's academic environment also played a pivotal role in nurturing my interpersonal and communication skills. The faculty members were deeply committed and highly knowledgeable, encouraging critical thinking, innovation, and cultural sensitivity—traits that have proven invaluable in my current role as Centre Manager at Grameen Foundation and in my previous engagements with NGOs, CSR initiatives, and various Government of India departments including MSME and ChildLine. The Institute prepared me not only to work efficiently across sectors but also to adapt seamlessly to different cultural contexts and organizational environments. I am grateful for the holistic education and mentorship I received, which laid a strong foundation for my career in the development sector. I highly recommend the Anthropology program at Amity University to aspiring students who are looking to make a meaningful impact through social science and development work.

Mr. Vineet Prakash
Bachelor of Social Work
Class of 2019
Amity Institute of Social Sciences, Noida

"PPIA Praxis Learner: Transforming Rural India Foundation, in collaboration with the Government of Madhya Pradesh."

My time at Amity University (2016–2019), pursuing a Bachelor's in Social Work at Amity Institute of Social Sciences, laid the strong foundation for my journey in the social & development sector. The faculty support, field exposure, and emphasis on community engagement and course work helped me continue to guide my professional path. Currently, as a Public Policy in Action (PPIA) Praxis Learner with the Transforming Rural India Foundation, I work closely with the district administration, Dewas in Madhya Pradesh to strengthen governance systems and ensure effective public service delivery. I would like to thank everyone from the department and university to family, friends and mentors for providing the opportunities to work and learn within and outside the campus.

Ms. Ankita Vaid
Masters in PR & Event Management
Class of 2012
Amity School of Communication, Noida

Brand Head, Lotus Herbals Pvt. Ltd

The two years I spent pursuing my Master's in PR & Event Management at Amity University were filled with invaluable learning, memorable experiences, and a vibrant blend of academics and fun. The curriculum not only strengthened my professional foundation but also nurtured my creative and strategic thinking that continue to guide me every day in my role as a Brand and Marketing Head. Amity's strong emphasis on practical exposure, interactive learning, and industry-oriented training truly prepared me for the dynamic world of brand management and communications. The guidance from the faculty, the friendships built, and the countless experiences on campus have all played a pivotal role in shaping both my career and personality. I will always cherish this journey for my growth, confidence, and self-discovery.

Mr. Jatin Mishra
BTech Bioechnology
Class of 2016
Ernst & Young (EY)

Consultant, Generative AI

"My journey from Amity University to my current role at EY has been a rewarding blend of learning, experimentation, and purpose-driven work. Amity laid the foundation for critical thinking, leadership, and innovation — qualities that have guided me through every step of my professional path. After graduating from Amity, I began my career at IQVIA, where I worked on healthcare analytics and real-world data applications. The analytical rigor I developed there inspired me to pursue my M.Tech in Artificial Intelligence and Data Engineering from IIT Patna, which further strengthened my technical depth and research orientation.Today, as part of EY's consulting team, I work on Generative AI and data-driven transformation projects for leading financial institutions, while also contributing to the startup ecosystem through SIIC, IIT Kanpur, where I have led AI and MedTech innovation initiatives.The curiosity, confidence, and compassion instilled at Amity continue to shape both my professional growth and my belief in using technology for meaningful impact."

Mr. Ashish Dosar
MBA Marketing and Sales
Class of 2009
Amity Business School, Noida

Product Manager at Ingram Micro

My experience at the Amity Institute of Competitive Intelligence has been truly transformative, both professionally and personally. The program provided a strong foundation in analytical thinking, market intelligence, and strategic decision-making—skills that have become invaluable in my career. The curriculum was thoughtfully designed, combining theoretical frameworks with real-world case studies and hands-on projects, which enhanced my ability to analyze data, anticipate market trends, and derive actionable insights.I was not financially strong but Amity not only helped me with securing Educational loan without any collateral but also supported me with scholarships to help me finally.The faculty members were not only knowledgeable but also deeply invested in each student's growth, constantly encouraging critical thinking and innovation. The collaborative environment fostered teamwork and communication skills, preparing me to handle complex business challenges with confidence.On a personal level, the experience strengthened my problem-solving mindset and taught me the importance of continuous learning in a rapidly changing business landscape. The exposure to diverse perspectives and peer learning enriched my understanding of competitive intelligence as a strategic tool for success.I passed out on 2009 , at the time when market was impacted with recession but still they helped me in securing placement from campus in those tough times.Overall, Amity Institute of Competitive Intelligence has played a pivotal role in shaping my professional identity, giving me the confidence and competence to excel in a competitive global environment.

Mr. Prakash Kumar Sinha
LLM
Class of 2021
FINJURIS LLP, A complete law firm

Being a Chartered Accountant and lawyer, and doing the LLM course at Amity university was a great experience. My experience at Amity University was truly valuable and helped me grow both professionally and personally. The university provided a strong academic environment that encouraged deep learning and practical understanding of law. The faculty members were supportive and always inspired us to think critically and work with dedication. My master's program at Amity helped me strengthen my knowledge in corporate, tax, and fiscal laws, which has been very useful in my legal career. The values of discipline, integrity, and continuous learning that I gained at Amity continue to guide me in my work as an advocate and consultant. I am proud to be an Amity alumnus and thankful for the foundation it gave me for professional success.
